**The Prayer of Protection** Joseph Prince, 2016-11-08 In these days of danger trouble and evil New York Times bestselling author Joseph Prince reveals how God s children can have round the clock protection through the power of prayer The Prayer of Protection unveils the Bible s ultimate psalm of protection Psalm 91 to help you understand more about how God guards His children Joseph Prince offers simple keys and practical advice to finding and resting in the secret place of the Most High where no evil can even come near you You ll begin to live unafraid and with boldness as you allow the certainty of your heavenly Father s love and the sure promises of His Word to guard your heart against every fear Come under the wings of the Almighty and live life divinely protected positioned and free from all fears with our covenant keeping God

**Revelation to Transformation** Paul White, 2011-06-08 Most of us have become accustomed to the constant preaching and teaching of guilt and condemnation This slowly but surely pulls our eyes off of the loveliness of the finished work and onto the unfinished areas of our lives We know that we are flawed we don t need someone screaming at us to figure that out Our problem is not the absence of knowledge that we need help Rather it is the utter inability to help ourselves Calvary was God s intervention in all of our issues By relieving us of the punishment of sin He is freeing us from the weight of guilt and the fear of death The author of Hebrews said that when Jesus died He did so to deliver them who through fear of death were all their lifetime subject to bondage Hebrews 2:15 Jesus has delivered us from fear of eternal punishment by being punished in our place

*Mediatized Religion in Asia* Kerstin Radde-Antweiler, Xenia Zeiler, 2018-12-07 This edited volume discusses mediatized religion in Asia examining the intensity and variety of constructions and processes related to digital media and religion in Asia today Individual chapters present case studies from various regions and religious traditions in Asia critically discussing the data collected in light of current mediatization theories By directing the study to the geographical cultural and religious contexts specific to Asia it also provides new material for the theoretical discussion of the pros and cons of the concept mediatization among other things interrogating whether this concept is useful in non Western contexts

**Religion, Hypermobility and Digital Media in Global Asia** Catherine Gomes, Lily Kong, Orlando Woods, 2025-10-01 Digital media is changing the ways in which religion is practiced understood proselytised and countered Religious institutions and leaders use digital media to engage with their congregations who now are not confined to single locations and physical structures The faithful are part of online

communities which allow them a space to worship and to find fellowship Migrant and mobile subjects thus are able to be connected to their faith whether home grown or emerging wherever they may be providing them with an anchor in unfamiliar physical and cultural surroundings As Asia rises mobilities associated with Asian populations have escalated The notion of Global Asia is a reflection of this increased mobility where Asia includes not only Asian countries as sites of political independence but also the transnational networks of Asian trans migrants and the diasporic settlements of Asian peoples all over the world This collection features cutting edge research by scholars across disciplines seeking to understand the role and significance of religion among transnational mobile subjects in this age of digital media and in particular as experienced in Global Asia

*Money and Moralities in Contemporary Asia* Lan Anh Hoang, Cheryll Alipio, 2025-10-01 Money and Moralities in Contemporary Asia provides original nuanced insights into social meanings of money and wealth in moral economies of Asia Through case studies from South and Southeast Asia the collection sheds important light on how the new mobilities and wealth created by neoliberal globalization transform people's ways of life notions of personhood and their meaning making of the world It highlights the moral dilemmas and anxieties emerging from the profound socio economic transformations that are taking place across the region and deepens our understanding of local cultures as well as the inner contradictions of global capital in Asian contexts With rich ethnographic insights and a diverse range of empirical contexts chapters in this volume reveal multifaceted complexities and contradictions in the relationship between money and moralities Money they affirm is not an impersonal objective economic instrument with homogenizing powers but a culturally constructed and socially mediated currency in which meanings are constantly contested and re negotiated across time and space

**Grace Revolution? or the Man of Lawlessness Revealed?** Robert B. Scott, 2016-05-11 The grace revolution is a rebellion against God opening the Christian world to accepting a man of lawlessness and to fighting Jesus at His coming Televangelists have convinced a majority of the Christian world to tell God that His definition of grace is all wrong that grace means His law of love is done away They are calling the Father and Jesus liars and telling God they know better saying we can believe Paul's words but not Jesus words As this most important book by a pastor and author who faced the false grace heresy a half century ago and has studied it thoroughly over the years appears the anti law end time falling away has begun becoming the norm for the Christian world Few understand the danger it opens the door for the appearance of the man of lawlessness whom Jesus will destroy at His coming You can be one of the few who escape this great last days falling away This book is the first to lay bare the weakness of all the arguments of this end time apostasy It reveals the true biblical grace principally the empowerment to keep God's law of love as well as opening the door to reap its abundant blessings You don't have to fall for this heresy condemned by Jesus Mat 5:17-20

**Grace Revolution for Higher Life** Toju Koso,2014-07-26 Grace is a relational influence of God upon a man that helps him to do spiritual things It is also an unmerited favour of God that gains you access to an inheritance according to Acts 20 32 and a blessing you never work for It is a fast builder that builds you up and helps you attain your God given destiny and purpose because destiny is a compulsory journey that must be undertaken by anyone born on this earth and it begins the moment you are born Due to the fact that everyone is born with a destiny it therefore means that destiny is a compulsory journey It is a distance you travel between the points where you discover your purpose to the point where the purpose is fulfilled But it is quite unfortunate that not everyone attains his or her destiny because some destinies are being cut short The American Aberdeen-Angus Herd Book ,1930

Scott,2014-04-22 The grace revolution is praised by millions but the Bible shows it is an end time apostasy from truth that will end in death for many and hell for a few It sets the stage for the appearance of the man of lawlessness who will oppose Jesus at His coming and for the union of evangelicals and charismatics with the mother church Jesus condemned the teaching of lawlessness and hell for a few who turn permanently from the truth they knew **Writings on American History** ,1929
