Organizational Behavior Nelson, Quick, 1997-01-01 Understanding Organizational Behavior Debra L. Nelson, James C. Quick, 2005 This book presents the solid foundations on which the science of organizational behavior was built and the realities and challenges faced in contemporary life in organizations The book's overarching theme of change is accompanied by four supporting subthemes globalization diversity technology and ethics The text gives learners the opportunity to meet these challenges by providing them with concepts ideas and theories Back cover **Constructing Blue Collar Leaders in a White Collar World** LaMar Herndon, 2018-03-06 In Constructing Blue Collar Leaders in a White Collar World Dr LaMar Herndon considers a group of leaders often overlooked and occasionally denigrated the bivocational pastor Constructing Blue Collar Leaders in a White Collar World integrates important theoretical leadership concepts with spiritual and practical realities Dr Herndon explores important topics such as trends and issues facing the global church and its leaders leadership models values and ethics character and integrity cultural effects creativity and innovation reverse mentoring and strategic planning This book is a profoundly honest hands on guide to what constitutes a true leader serving as a bivocational minister Dr Gary Oster Regent University School of Business whether bivocational or not Rev Jewel D Williams M R E Church of God Anderson IN Author of Fearfully and Wonderfully Made Living our Theology and the Path of a Preacher Understanding Military Culture Allan Douglas English, 2004 Examines military culture from a theoretical and a practical point of view Considers conflicts in Afghanistan and Iraq that have highlighted the importance of culture as a concept in analyzing the ability of military organizations to perform certain tasks Culture has been described as the bedrock of military effectiveness because it influences everything an armed service does The recent conflicts in Afghanistan and Iraq have highlighted the importance of culture as a concept in analyzing the ability of military organizations to perform certain tasks In fact a military's culture may determine its preferred way of fighting and dealing with other challenges like incorporating new technologies more than its doctrine or organizational structure of view It focuses on the Canadian and American military cultures and it provides the first detailed examination of the culture of the Canadian Forces It also compares their culture to that of the US

armed forces The book concludes that while the culture of the Canadian Forces has been Americanized to a certain extent the culture of the US armed forces due to changes in their personnel and roles has experienced a certain degree of

Canadianization at the end of the 20th and the beginning of the 21st centuries **Managing Nonprofit Organizations**
