Many guides claim to offer an insider view of top undergraduate programs but no publisher understands insider information like Vault and none of these guides provides the rich detail that Vault's new guide does. Vault publishes the entire surveys of current students and alumni at more than 300 top undergraduate institutions. Each 2 to 3 page entry is composed almost entirely of insider comments from students and alumni. Through these narratives Vault provides applicants with detailed balanced perspectives.

The Unfinished Quest Clair T. Berube, 2008-05-21. This book critiques the reliance on high stakes standardized tests in American education arguing they fail to measure the creativity and innovation essential in science. It explores the impact on minorities, girls, and at-risk students, advocating for better teaching and assessment methods to prepare students for global challenges.
