*Eve's Apple* William Lindsey Thomas,2020-06-25 *Eve's Apple* is the story of how one lady Eve contracted and spread the most fatal disease ever known to mankind as an act of her mind and will The name of this disease is sin This disease of sin is the root cause of all war murder stealing lies and every other known form of evil in the world The result has been the death of every generation of mankind who has ever lived But wait a minute you say I believe death is caused by old age or cancer a heart attack or some other physical problem or disease and not by some religious belief called sin This is partly true But what is the root cause of all known diseases And if all known diseases result in death isn't this just another way sin manifests itself In addition to all these facts I believe the story of *Eve's Apple* defines the history of the human race Ralph Waldo Emerson once wrote There is no such thing as history only biography Well if history is a collection of biographies or stories then this story of *Eve's Apple* ranks among the most important of all The story of *Eve's Apple* began mankind's conflict with a good and evil in our world This struggle by you and me and the rest of the human race has affected our world and history more than any other challenge in life How mankind has chosen to struggle with this conflict has shaped the history of our world If the above reasons for *Eve's* importance to history and your life are not enough may I suggest one more contained in this story of *Eve* is the prophecy of God's answer to *Eve's* sin which contains faith hope and love **God's Mother, Eve's Advocate** Tina Beattie,2002-12-01 Tina Beattie has written a stunning book on the theology of woman Her stated objective is to discern the place of the female body in the Christian story of salvation and she has done so from the very heart of Christian stylisations of the female the figures of Mary and Eve Beattie has pursued her subject with the aid of French psychoanalytic feminism these writers are preoccupied as is Catholic theology with questions of language and symbolism But she deliberately puts herself at odds with neo orthodoxy and feminist liberal theology she believes that theologians like von Balthasar depart from the best Patristic tradition of Marian theology with disastrous effect Nor does she offer any solace to the Marina Warners of this world in a book which is strong in defence of classical Marian theology She defends with passion and theological insight not only the Virgin Birth the Immaculate Conception and the Assumption but also the perpetual virginity of Mary Virginal desire according to Beattie need not be seen negatively but as an affirmation of the integrity of women's desire before God in a way not dependent on the phallus nor reducible to genitality **Defender of the Most Holy Matriarchs** Mickey Leland Mattox,2003 A study in the history of exegesis this text examines Martin Luther's interpretation of the stories of the women of Genesis evaluating his understanding of male female relations as well as his appropriation of Christian hagiographical

the Christian life Many will see it as a great source of sermons curriculum and position papers The titles of the forty four chapters should strike the interest of any God fearing truth loving Christian You will not be disappointed as the Holy Spirit articulates God s will sorts out ideas clears away confusion and builds solid beliefs and practice You will see a consistency of relationship The Bible is a unified masterpiece of truth it s all related Most chapters start fresh with new topics and developing themes There are studious sections that dig deep for the purpose of benefiting everyone with greater appreciation and knowledge of God s Word while attempting to satisfy the Bible College graduate There is much teaching today that has obscured the true meaning and application of Scripture placed a veil over the heart of believers and deprived Christians of its complete relevant impact upon them Therefore it was necessary to write a book which establishes a systematic theology based upon the full counsel of God Acts 20 27 without imposing agendas nor being controlled by any religious group
