Organization Development Interventions William J. Rothwell, Sohel M. Imroz, Behnam Bakhshandeh, 2021-09-02 To effectively adapt and thrive in today's business world organizations need to implement effective organizational development OD interventions to improve performance and effectiveness at the individual group and organizational levels OD interventions involve people trust support shared power conflict resolution and stakeholders participation just to name a few OD interventions usually have broader scope and can affect the whole organization OD practitioners or change agents must have a solid understanding of different OD interventions to select the most appropriate one to fulfill the client's needs There is limited precise information or research about how to design OD interventions or how they can be expected to interact with organizational conditions to achieve specific results This book offers OD practitioners and change agents a step by step approach to implementing OD interventions and includes example cases practical tools and guidelines for different OD interventions It is noteworthy that roughly 65% of organizational change projects fail One reason for the failure is that the changes are not effectively implemented and this book focuses on how to successfully implement organizational changes Designed for use by OD practitioners management and human resources professionals this book provides readers with OD basic principles practices and skills by featuring illustrative case studies and useful tools This book shows how OD professionals can actually get work done and what the step by step OD effort should be This book looks at how to choose and implement a range of interventions at different levels Unlike other books currently available on the market this book goes beyond individual group and organizational levels of OD interventions and addresses broader OD intervention efforts at industry and community levels too Essentially this book provides a practical guide for OD interventions Each chapter provides practical information about general OD interventions supplies best practice examples and case studies summarizes the results of best practices provides at least one case scenario and offers at least one relevant tool for practitioners

Transformative Social Change in Organizations and Institutions: A DEI Perspective Wesley, Jonathan, Mack, Adrian J., Thorpe, LaKeisha, 2024-01-10 Due to the unfortunate events of 2020 diversity equity and inclusion DEI has become trendy without the public truly understanding the systemic and structural impacts that the discipline is intended to interrupt DEI impacts myriad institutions DEI is not a checkbox it is soul work and until we interrogate the ills and wills of our souls the individual I will never transform the institution Transformative Social Change in Organizations and Institutions A DEI Perspective focuses on the transformative social change that DEI is meant to have within organizations and institutions Covering topics such as DEI strategy performance vs impact and workplace dynamics this reference work is ideal for government officials faith communities doctoral students educational agencies researchers and students **Management of Adult Education Organisations in Africa** Fredrick Muyia Nafukho, Nelson H. W. Wawire, Penina Mungania K. Lam, 2011

Adult education is now considered a mainstream academic discipline in several African countries and its importance in today's knowledge and ideas economies is growing steadily. It is provided by organisations such as public universities, training colleges, corporate universities and employers. The successful operation of educational organisations requires sound leadership and management. *Management of Adult Education Organisations in Africa* examines African perspectives of managerial leadership, highlighting the importance of management in the design and effective delivery of adult education programmes. The ten chapters in this book focus on the following: Management and diversity; Leadership in adult education organisations; Management approaches in Africa; Human resources development; Organisational development and change; Ubuntu embedded leadership and organisational learning; Planning, implementation and evaluation; Time management in an organisation; Financial management; and The challenges and opportunities of managing adult education organisations. Making explicit reference to African models and understandings of management, chapters in *Management of Adult Education Organisations in Africa* include a set of learning objectives, definitions of key terms and clearly written summaries of the essential information and discussion points. Additional activities, case studies and suggested reading material help to provide a complete resource for students of management in an adult education context. The book will have special appeal to those wishing to learn about and embark on an educational management career. It will also be a useful reference source to those who are already in positions of management and leadership of educational organisations. Provided by publisher.
