Children's Fantasy Literature Michael Levy, Farah Mendlesohn, 2016-04-16 Fantasy has been an important and much loved part of children's literature for hundreds of years yet relatively little has been written about it. Children's Fantasy Literature traces the development of the tradition of the children's fantastic fictions specifically written for children and fictions appropriated by them from the sixteenth to the twenty-first century, examining the work of Lewis Carroll, L. Frank Baum, C. S. Lewis, Roald Dahl, J. K. Rowling, and others from across the English-speaking world. The volume considers changing views on both the nature of the child and on the appropriateness of fantasy for the child reader, the role of children's fantasy literature in helping to develop the imagination, and its complex interactions with issues of class, politics, and gender. The text analyses hundreds of works of fiction, placing each in its appropriate context within the tradition of fantasy literature.

Royalty in Twenty-First Century Children's and Young Adult Literature Amie A. Doughty, 2023-11-15 Doughty examines contemporary children's and young adult (YA) literature featuring royal characters through a folkloric lens and shows different ways authors transform the traditional royal characters from folktales and Disney films. She shows how princes and princesses are more progressive than their predecessors through expanding gender roles. She also demonstrates how different types of abdication work to transform readers' expectations of royals and how they reach a happy ending different from traditional folktales and Disney. Finally, employing Rudine Sims Bishop's ideas about mirrors, windows, and sliding glass doors, she explores how queer royals and royals of color offer new mirrors for children and young adults. Each chapter presents a typology of royal books related to the topic and explains how they work to transform the folktale tradition. Doughty concludes with a discussion of the transformational gaps remaining in royal children's and YA literature. *World Stories Retold for Modern Boys and Girls* William James Sly, 1914 *Children's Books for Christmas Presents*, 1912 *The Education of Disadvantaged Children*, 1966 [Syllabus for a Course in Literature for Children](#) Detroit Teachers College, 1928 **Southern School Work**, 1918 *Anthology of Children's Literature*, 1977 An anthology of nursery tales and rhymes, nonsense verse, poetry, folklore, mythology, epics, fiction, and non-fiction from a variety of sources. **Children's Catalog** H.W.
