Framework Myth Retelling Novel:

Myth in the Modern Novel Liisa Steinby,2023-03-20 Myth in the Modern Novel Imagining the Absolute posits a twofold thesis First although Modernity is regarded as an era dominated by science and rational thought it has in fact not relinquished the hold of myth a more primitive form of thought which is difficult to reconcile with modern rationality Second some of the most important statements as to the reconcilability of myth and Modernity are found in the work of certain prominent novelists This book offers a close examination of the work of eleven writers from the late eighteenth century to the beginning of the twenty first representing German French American Czech and Swedish literature The analyses of individual novels reveal a variety of intriguing views of myth in Modernity and offer an insight into the modernizing transformations myth has undergone when applied in the modern novel The study shows the presence of the subconscious the mythic layer in modern western culture and how this has been dealt with in novelistic literature

Superheroes in Indian Comics Roma Chatterji,Amaan Shreyas,2026-02-17 There is a prevailing sense

that commercial Superhero Comics cannot be serious objects of academic enquiry It is the hallowed graphic novel with its auteur author for which serious work is reserved This volume presents the work of three publishing houses who publish Superhero Comics in Delhi and Mumbai It analyses their techniques of narration associated with the serial publication of commercial comics such as open ended plots frequent re boots of the storyline extended story arcs and a complex narrative universe to throw into sharper relief the value of superhero comic books as distinct from the graphic novel Through an exploration of commercial Superhero Comics the authors wish to draw attention to a fluidity embedded in Superhero Comics which is influenced by external pressures of distribution and production that are generally ignored in the desire to view a comic text as a discrete and disembodied whole Superhero Comics then emerge as a post modern vehicle to test serious socio political issues in the mode of fantasy This ethnographic attempt to understand the contexts of production circulation and consumption of Superhero Comics will be of interest to comics scholars students of popular culture sociology social anthropology literature and the arts

Frankenstein, Education and Family. The Influence of Education and Family in Mary Shelley's "Frankenstein; or, The Modern Prometheus" Peter Altmannsdorfer, 2025-07-14 Seminar paper from the year 2022 in the subject English Language and Literature Studies grade 2 3 University of Augsburg course Myth in British Literature language English abstract This paper explores how Mary Shelley s Frankenstein uses the Prometheus myth to engage with central Romantic era themes particularly those of education family and scientific ambition The novel presents Victor Frankenstein as a modern Prometheus whose pursuit of knowledge leads to tragic consequences Through intertextual references especially to classical mythology Enlightenment philosophy and literature like Paradise Lost Shelley critiques the dangers of unchecked scientific progress and the moral failures of a creator who abandons his creation The analysis emphasizes the dual role of education for Victor it becomes a source of hubris and isolation for the creature education fosters empathy self awareness and a tragic longing for acceptance Similarly family is shown as a source of moral grounding Victor benefits from a loving but emotionally distant family while the creature suffers due to total social and emotional abandonment Shelley s narrative structure and

interwoven myths highlight the importance of responsibility emotional education and belonging The paper concludes that Frankenstein is a cautionary tale about ethical responsibility in science and society Through her layered use of myth and Romantic ideals Mary Shelley illustrates how both education and family can either nurture or destroy depending on how they are embraced or denied
