## **Human Resource Management 15th:**

**Human Resource Management, 15e** Gary Dessler, Biju Varrkey, Human Resource Management provides students with the daily tools and skills they need to function as successful managers in both human resources and business in general. With a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms such as LinkedIn and cloud computing. The fifteenth edition focuses on the positive impacts technology has had on the HR field. The ability to vet potential employees on the Internet shifts more HR responsibilities to managers, leaving HR departments with more time to carry out strategic long-term endeavours for boosting employee performance and engagement. With a heavy focus on emerging industry trends, the text prepares students with everything they need to be successful managers and HR personnel in the 21st century. *Principles of Human Resource Management* Scott Snell, George W. Bohlander, 2010. Introduce your students to all aspects of human resource management as you demonstrate how HR impacts and can empower both individuals and organizations with this market-leading practical text. Snell Bohlander's popular PRINCIPLES OF HUMAN RESOURCES MANAGEMENT 15E International Edition builds upon a foundation of research and theory with an inviting practical framework that focuses on today's most critical HR issues and current practices. The book's engaging writing style and strong visual design use more than 500 memorable examples from a variety of real organizations to illustrate key points and connect concepts to current HR practice. Fresh cases throughout this edition spotlight the latest developments and critical trends while hands-on applications focus on practical tips and suggestions for success. The book's integrated learning system and comprehensive package including a new Teaching Assistance Manual provide more resources for effectively teaching human resources. Look to the leader Snell Bohlander's PRINCIPLES OF HUMAN RESOURCES MANAGEMENT 15E International Edition to help your students develop the competencies to understand and help tomorrow's organizations create a sustainable competitive advantage through people.

**Human Resource Management** Ronan Carbery, Christine Cross, 2018-11-10. This contemporary global and engaging textbook covers all the core HRM topics. Providing a succinct overview, it gives you the tools to engage your students in critical thinking and to develop their employability skills.
