## **Knowledge And Decisions Thomas Sowell:**

*Knowledge & Decisions* Thomas Sowell, 1980-02-28 In this exciting work Thomas Sowell brilliant economist and renowned critic of current trends in social policy describes in concrete detail by what general principles and under what constraints the fragmented knowledge embodied in the judgments and perceptions of millions of people gets coordinated into the making of decisions that are significant to our political economic legal and other social processes

**Knowledge And Decisions** Thomas Sowell, 1996-10-04 With a new preface by the author this reissue of Thomas Sowell's classic study of decision making updates his seminal work in the context of *The Vision of the Anointed* Sowell one of America's most celebrated public intellectuals describes in concrete detail how knowledge is shared and disseminated throughout modern society He warns that society suffers from an ever widening gap between firsthand knowledge and decision making a gap that threatens not only our economic and political efficiency but our very freedom because actual knowledge gets replaced by assumptions based on an abstract and elitist social vision of what ought to be *Knowledge and Decisions* a winner of the 1980 Law and Economics Center Prize was heralded as a landmark work and selected for this prize because of its cogent contribution to our understanding of the differences between the market process and the process of government In announcing the award the center acclaimed Sowell whose contribution to our understanding of the process of regulation alone would make the book important but in reemphasizing the diversity and efficiency that the market makes possible his work goes deeper and becomes even more significant
