

Capture Planning is the process of identifying opportunities, assessing the attractiveness, and planning and implementing winning strategies intended toward capturing a specific business opportunity. Commonly associated capture-planning means include: bid-competitor capture-plans.

Use the Overview and Action, Proposed Goals.

Best value and marketing relevant value that drive the pursuit of the best value/lowest bid/price where there would prefer to buy from better proposals are captured.

The use of capture planning is intended: the intention to gain your organization and your solution to the problem of competitors, so to as there might be the business with your organization prior to proposal being submitted.

The capture capture planning designed to the plan of competitors that will through successful large U.S. Government or Federal opportunities.

Commonly associated organizations pursuing large, complex opportunities have identified several critical areas of value planning designed. Both value planning involves organizations with the following characteristics:

- High value
- Highly competitive markets/price
- Long sales cycle/complex process

Some commercial organizations use the best value plan and lowest price value hierarchy. However, many others place less their emphasis upon and may thereby affect the organization's internal capture planning process.

Use the Overview and Action, Proposed Goals.

Capture Planning

1. Implement a capture planning strategy to capture new business more efficiently.
2. Enhance capture planning effectiveness by defining activities and capture plans/strategies.
3. Select a competitive market/industry and, preferably, an early based: technology, service, price, and value capture plan to your organization.
4. Map the process dynamics, needs, resources, and costs.
5. Maintain a balance between planning and execution.
6. Compare the Independent Customer Behavior Model and the Buyer Comparison Chart used when time to bid.
7. Gain and increase senior management approval and support.
8. Choose the right people to the capture team.
9. Design specific, measurable objectives, activities, and completion dates for different department managers by name.
10. Establish regular review plan status to determine whether to continue, the opportunity for the next phase or end the pursuit.
11. Schedule value team reviews to improve the solution—attention is captured plan, strategy, process, or underlying provision.
12. Use the capture plan to complete the proposal/planning process.
