Strengths

- Wide selection of computer products
- Experienced and knowledgeable staff
- Good location with high foot traffic
- Strong reputation for quality products
- In-store services such as repair and technical support
- Competitive pricing and frequent sales
- Established relationships with suppliers and manufacturers

Weaknesses

- Limited brand recognition and marketing budget
- Limited online presence and e-commerce capabilities
- Limited geographical reach and customer base
- Limited selection of pre-built systems
- High overhead costs for in-store operations

Opportunities

- Expansion into online sales and e-commerce
- Targeting new customer segments, such as gamers or businesses
- Developing new in-store services, such as custom system building or networking services
- Strategic partnerships with local businesses or organizations
- Capitalizing on trends in the computer industry, such as the growth of gaming or remote work

Threats

- Competition from established retailers and online marketplaces
- Rapid changes in technology and product cycles
- Economic downturns or market fluctuations
- Supply chain disruptions or shortages
- Potential for disruptive technologies or new market entrants
