Jamaal al-Din M. Zarabozo, 1999 **The Key To Getting Closer To Allah(SWT)** Ijaz Seikh, 2023-12-31 In modern times especially for those of us born into Muslim families religion becomes a ritualistic hobby We follow customs perform acts and

recite prayers without understanding the significance of what we are doing We attend religious gatherings but what we hear does not translate into strengthening our faith or changing our behaviour Practicing this kind of superficial Islam means we fail to receive the full blessings of Islam and are more likely to neglect our faith and move further away from Allah in times of difficulty or when we are busy with worldly matters Furthermore if we do not practice the faith with understanding what example are we setting others especially non Muslims What will we be able to teach our children The purpose of this book is to provide you the means of changing your thoughts and behaviour regarding some of the most fundamental aspects of our religion Each chapter introduces a topic using the Qur'an and Hadith followed by practical advice on how to act upon this recording your daily weekly monthly progress in the space provided Sincere engagement with this process will help you develop lifelong habits of practicing your faith understanding why you are doing what you are doing Each chapter is independent of the others therefore the book does not need to be read in any specific order However I would advise you to focus on one chapter at a time and try not to do too much too soon since you are likely to overburden yourself and disengage with the process Remember the words of the Prophet peace be upon him Take up good deeds only as much as you are able for the best deeds are those done regularly even if they are few Use this book with the firm intention to better yourself in the hope of pleasing and drawing closer to Allah and His Prophet peace be upon him Certainly Allah will help you He who draws close to Me a hand's span I will draw close to him an arm's length And whoever draws near Me an arm's length I will draw near him a fathom's length And whoever comes to Me walking I will go to him running
