In the Sphere of Silence Vijay Eswaran,2005 In the Sphere of Silence Journal Mohammed Khati,2020-04-29 This journal is a practical tool of the book *In The Sphere Of Silence* by Vijay Eswaran The Silences of Science Felicity Mellor,Stephen Webster,2016-09-13 Over the last half century scholars from a range of disciplines have attempted to theorise silence Naively we tend to think of silence negatively as a lack an emptiness Yet silence studies shows that silence is more than mere absence All speech incorporates silence not only in the gaps between words or the pauses that facilitate turn taking but in the omissions that result from the necessary selectivity of communicative acts Thus silence is significant in and of itself it is a sign that has socially constructed albeit context dependent and ambiguous meanings To date studies of science communication have focussed on what is said rather than what is not said They have highlighted the content of communication rather than its form and have largely ignored the gaps pauses and lacunae that are an essential and meaningful part of any communicative act Both the sociology of science and the history of science have also failed to highlight the varied functions of silence in the practice of science despite interests in tacit knowledge and cultures of secrecy Through a range of case studies from historical and contemporary situations this volume draws attention to the significance of silence its different qualities and uses and the nature function and meaning of silence for science and technology studies

Theatre and Aural Attention George Home-Cook,2015-05-10 Theatre and Aural Attention investigates what it is to attend theatre by means of listening Focusing on four core aural phenomena in theatre noise designed sound silence and immersion George Home Cook concludes that theatrical listening involves paying attention to atmospheres *Visions and Revisions* Bryoni Trezise,Caroline Wake,2014-02-28 In 1983 US president Ronald Reagan told the Israeli Prime Minister that he as a photographer during World War II had documented the atrocities of the concentration camps on film The story was later exposed as a fraud as it was revealed that Reagan had resided in Hollywood during the entire war Does this mean that Reagan was simply an amoral liar or that he established a connection to the Holocaust that can be said to have evolved from the intersection between real and reel *Visions and Revisions* Performance Memory Trauma brings the fields of performance studies and trauma studies together in conversation in order to investigate how these two fields both envision and revision one another in relation to crucial themes such as trauma testimony witness and spectatorship According to Peggy Phelan a leading performance studies scholar performance provides a unique model for witnessing events that are both unbearably real and beyond reason s ability to grasp traumatic events like the Holocaust While Reagan s claim is obviously both paradoxical and problematic it opens up a space in which the potential insights that performance studies and trauma studies might bring to one another become particularly visible The first half of the anthology focuses on issues of spectatorship specifically its ethics and the possibility of witnessing The second half widens the discussion to include memory more broadly shifting the emphasis from sight to site and particularly to site specific works and the embodied encounters they model

enable and enact The contributors here fill a critical gap raising questions about how popular and mediatized performances that memorialize trauma might be viewed through performance theory They also look at how performance studies might shift its focus from the visual to the sensorial and material and in doing so they offer a fresh perspective on both performance and trauma studies Writing from different disciplinary vantages and drawing on multiple case studies from South Africa the former Soviet Union Lebanon and Thailand among others the contributors decolonize trauma studies and make us question how and where our own eyes and bodies are positioned as we revision the scenes before us Contributors Laurie Beth Clark Helena Grehan Geraldine Harris Chris Hudson Petra Kupperts Adrian Lahoud Sam Spurr Christine Stoddard Bryoni Trezise Maria Tumarkin Caroline Wake Editors Bryoni Trezise is a lecturer in theatre and performance studies at the University of New South Wales where Caroline Wake is a Post doctoral Fellow in the Centre for Modernism Studies in Australia

Freemason's Monthly, 1872 **The Holocaust as Active Memory** Marie Louise Seeberg, Irene Levin, Claudia Lenz, 2016-03-09 The ways in which memories of the Holocaust have been communicated represented and used have changed dramatically over the years From such memories being neglected and silenced in most of Europe until the 1970s each country has subsequently gone through a process of cultural political and pedagogical awareness rising This culminated in the Stockholm conference on Holocaust commemoration in 2000 which resulted in the constitution of a task force dedicated to transmitting and teaching knowledge and awareness about the Holocaust on a global scale The silence surrounding private memories of the Holocaust has also been challenged in many families What are the catalysts that trigger a change from silence to discussion of the Holocaust What happens when we talk its invisibility away How are memories of the Holocaust reflected in different social environments Who asks questions about memories of the Holocaust and which answers do they find at which point in time and from which past and present positions related to their societies and to the phenomenon in question This book highlights the contexts in which such questions are asked By introducing the concept of active memory this book contributes to recent developments in memory studies where memory is increasingly viewed not in isolation but as a dynamic and relational part of human lives *Fieldwork in Family Folklore and Oral History* Margaret Rose Yocom, 1980 The Collected Writings of Thomas De Quincey Thomas De Quincey, 1890 The Collected Writings of Thomas De Quincey: Literary theory and criticism Thomas De Quincey, 1890 The Collected Writings of Thomas De Quincy David Masson, 1897 *Items of Interest*, 1885 **Michigan Freemason**, 1872 *Making Noise, Making News* Mary Chapman, 2014-03-20 For most people the U S suffrage campaign is encapsulated by images of iconic nineteenth century orators like the tightly coifed Susan B Anthony or the wimpled Elizabeth Cady Stanton However as Mary Chapman shows the campaign to secure the vote for U S women was also a modern and print cultural phenomenon waged with humor creativity and style Making Noise Making News also understands modern suffragist print culture as a demonstrable link between the Progressive Era s political campaign for a voice in the public sphere and Modernism s aesthetic efforts to re imagine literary

voice Chapman charts a relationship between modern suffragist print cultural noise and what literary modernists understood by making it new asserting that the experimental tactics of U S suffrage print culture contributed to and even anticipated the formal innovations of U S literary modernism Drawing on little known archives and featuring over twenty illustrations Making Noise Making News provides startling documentation of Marianne Moore s closeted career as a suffrage propagandist the persuasive effects of Alice Duer Miller s popular poetry column Asian American author Sui Sin Far s challenge to the racism and classism of modern suffragism and Gertrude Stein s midcentury acknowledgement of intersections between suffrage discourse and literary modernism
