David Harrison Assistant Professor of Linguistics Swarthmore College, 2007-02-01 It is commonly agreed by linguists and anthropologists that the majority of languages spoken now around the globe will likely disappear within our lifetime The phenomenon known as language death has started to accelerate as the world has grown smaller This extinction of languages and the knowledge therein has no parallel in human history K David Harrison s book is the first to focus on the essential question what is lost when a language dies What forms of knowledge are embedded in a language s structure and vocabulary And how harmful is it to humanity that such knowledge is lost forever Harrison spans the globe from Siberia to North America to the Himalayas and elsewhere to look at the human knowledge that is slowly being lost as the languages that express it fade from sight He uses fascinating anecdotes and portraits of some of these languages last remaining speakers in order to demonstrate that this knowledge about ourselves and the world is inherently precious and once gone will be lost forever This knowledge is not only our cultural heritage oral histories poetry stories etc but very useful knowledge about plants animals the seasons and other aspects of the natural world not to mention our understanding of the capacities of the human mind Harrison s book is a testament not only to the pressing issue of language death but to the remarkable span of human knowledge and ingenuity It will fascinate linguists anthropologists and general readers *Global Trends in Generation and Transboundary Movements of Hazardous Wastes and Other Wastes* Kees Wielenga, 2002 This study identifies global trends and patterns in the generation and transboundary movement of hazardous wastes and other wastes based upon data provided by the parties to the Secretariat during the period 1993 2000 It evaluates the data for possible flaws and formulates conclusions and recommendations to improve the quality of the dataset **Global trends** Ingomar Hauchler, Paul M.
