## Indian Army Weapons:

*Civilizational Discourses in Weapons Control* Ritu Mathur,2020-07-11 This book seeks to decolonize practices of arms control and disarmament In this endeavor it seeks to problematize our understanding of time and civilization as rhetorical resources The need for such an undertaking can be premised on the claim that while problems of modernity ethnocentrism and universalism are now a central concern within the field of international relations these ideas are scarcely debated or contested within the field of arms control and disarmament The singular focus on technological innovations and specific policy oriented agreements in practices of arms control and disarmament appears to stymie the need for such engagements This book is an invitation to explore intersecting discourses on colonialism racialism nationalism and humanitarianism within a historically grounded terrain of weapons control An understanding of these practices is vital not to prescribe any standards of civilization or exceptionalism in weapons control but to be cognizant through critique of the dangers embedded in any effort at reconstituting the constitutional nuclear order *Iran ready to fill NPT (Non-Proliferation of Nuclear Weapons) today, ,, India told it will signed NPT , if USA provide , veto power in UNSC ( temporary) , while Iran never say that it want UNSC veto power, while on other hand INDIA* Ruhel Chisty FRACI CChem A,MRSC CChem, **Jane's Infantry Weapons** ,2001 *Arms and the Man* ,1914 **Navy and Army Illustrated** ,1901 *Weapon of Choice* Matthew C. Ford,2017 Exposes the mechanics of power across the military industrial complex from battlefield to back office New Wars: New Weapons Joseph Montague Kenworthy Baron Strabolgi,1930 *The Encyclopedia of Weapons* Chris Bishop,2006 Features multiple entries on weapons divided into four segments and is further subdivided into types of pistols submachine guns rifles mortars antitank weapons rocket artillery and many others Each entry contains photographs of the weapon as well as its history and background and detailed illustrations demonstrating its action *The Military Engineer* ,1920 Directory of members constitution and by laws of the Society of American military engineers 1935 inserted in v 27 **The Collection of Primitive Weapons and Armor of the Philippine Islands in the United States National Museum** Herbert William Krieger,1926 The primary objective to this handbook is to describe various weapon types that have preserved in metal wood horn and bone traces of the material culture of the several waves of civilization that have reached the Philippines in the past The second objective of this catalogue of Philippine weapons of offense and defense is to describe the typical originality of form the skill displayed in weapon manufacture and the beauty of ornamental patterns produced in the islands but characteristic of the localities in which they are made and used Memories of a Lacerated Heart (1971) Major Iftikhar-Ud-Din Ahmad (Retired),2017-03-30 *Memories of a Lacerated Heart* gives us a painful insight into one of the most brutal and historically under reported wars and its effects not just on the country but on the mind of a patriotic and unassuming army officer In 1947 the Indian subcontinent was split into two countries India and Pakistan East and West Pakistan were geographically separated by the larger nation of India and the country was ruled by martial law for the first 25

years after gaining independence The governing of the two wings of the country hundreds of miles apart was a logistical challenge and the cultural economic geographical and language differences became divisive East Pakistan had the larger population albeit in a smaller area but West Pakistan held the political and economic power East Pakistan secured the majority of seats in the 1970 elections but despite winning the majority vote it was deprived of the right to govern This led to a bloody civil war that later escalated into a conflict between Pakistan and India This is the memoir of one Pakistani Army officer who witnessed the events first hand and suffered as a consequence of being a patriotic young company commander who passionately wanted to prevent the break up of his country It is a formal collection of his diary entries documenting his experiences during the civil war the subsequent conflict with India and as a prisoner of war While still a war memoir it is also the raw and heartfelt account of a man separated by duty from his loved ones and ordered along with his young soldiers to fight a pointless war ruthlessly orchestrated by generals and politicians
