can't allow herself to want him yet as she settles uneasily into life with the quiet artist she gets the feeling he's as much a victim of his brother's schemes as she. But when a series of gruesome deaths begin taking place around Flagstaff, Angela has a very bad feeling the killer is lurking close to home and uncovering the truth could break the fragile trust she and Connor have worked so hard to build. **DARKMOON**. Certain she's lost Connor's love, Angela returns home to resume her place as the McAllister prima without her consort. Then she learns her little birth control charm couldn't fool Fate and now she's the next target of the fatal Wilcox curse. Determined to break this dark legacy, she reaches out to reconcile with her beautiful, brokenhearted Connor. Then she must journey to the otherworld to fill in the blanks of her own past. With every broken thread, she reweaves into her history; her magic grows and evolves. But the healing that will finally break the Wilcox curse could cost Angela everything.

*Project Demon Hunters, Books 1-3* Christine Pope, *Project Demon Hunters* is what you might get if you mashed *The X-Files* and *The Conjuring* movies together, then threw in secrets, lies, a dollop of unresolved sexual tension, and scenes that'll make you think twice about reading in the house alone. This boxed set includes the first three books in the *Project Demon Hunters* series.

*Unquiet Souls* On the surface, psychologist Audrey Barrett is the perfect co-host for Michael Covenant's new cable series *Project Demon Hunters*. There's just one problem: Michael has made it his mission to stay out of her orbit. After the tragedy that took her parents, Audrey keeps herself on the fringe of the paranormal world. But with her small therapy practice floundering, the money the show's offering is too good to pass up. But when they step inside a rundown mansion, things start flying. Worse, evil follows Audrey home, and she discovers why Michael is the last man she should let herself trust.

*Unbound Spirits* When Audrey fails to show up in Tucson to film the second episode of *Project Demon Hunters*, Michael's sense of foreboding is confirmed when his psychic gift pinpoints the exact spot where she was kidnapped. No telling where she is now, Audrey is shocked her kidnapper is the demon she and Michael just killed, or so she thought. In revenge for their closing his personal portal to hell, he plans to crush Audrey's throat. Like a homing beacon, Audrey's soul reaches out for Michael, but he fears that even if he reaches her in time, this fight isn't over.

*Unholy Ground* Audrey Barrett tries to play hero while filming *Project Demon Hunters*, but fails at a terrible cost. Now the network has pulled the plug on the show, and they're all out of a job. At least she still has Michael safely at her side. But as they tie up loose ends, they come across clear signs that the demon that's been making their lives miserable isn't through with them after all. Now they have no choice but to confront evil on its own turf, and not even an ocean of holy water will help them.
