At Night We Walk In Circles Daniel Alarcón:

At Night We Walk in Circles Daniel Alarcón, 2013-10-31 A breathtaking suspenseful story of one man's obsessive search to find the truth of another man's downfall from the author of *The King Is Always Above the People* which was longlisted for the 2017 National Book Award for Fiction. Nelson's life is not turning out the way he hoped. His girlfriend is sleeping with another man, his brother has left their South American country leaving Nelson to care for their widowed mother and his acting career can't seem to get off the ground. That is until he lands a starring role in a touring revival of *The Idiot*, President, a legendary play by Nelson's hero Henry Nunez, leader of the storied guerrilla theater troupe Diciembre. And that's when the real trouble begins. The tour takes Nelson out of the shelter of the city and across a landscape he's never seen which still bears the scars of the civil war. With each performance, Nelson grows closer to his fellow actors, becoming hopelessly entangled in their complicated lives until during one memorable performance a long buried betrayal surfaces to force the troupe into chaos. Nelson's fate is slowly revealed through the investigation of the narrator, a young man obsessed with Nelson's story and perhaps closer to it than he lets on. In sharp, vivid and beautiful prose, Alarcón delivers a compulsively readable narrative and a provocative meditation on fate, identity, and the large consequences that can result from even our smallest choices.

The King Is Always Above the People Daniel Alarcón, 2018-10-30 LONGLISTED for the 2017 NATIONAL BOOK AWARD FOR FICTION. An urgent essential collection of stories about immigration, broken dreams, Los Angeles gang members, Latin American families, and other tales of high stakes journeys from the MacArthur genius and award-winning author of *War by Candlelight* and *At Night We Walk in Circles*. Migration, Betrayal, Family secrets, Doomed love, Uncertain futures. In Daniel Alarcón's hands, these are transformed into deeply human stories with high stakes. In *The Thousands*, people are on the move and forging new paths; hope and heartbreak abound. A man deals with the fallout of his blind relatives' mysterious deaths and his father's mental breakdown and incarceration in *The Bridge*. A gang member discovers a way to forgiveness and redemption through the haze of violence and trauma in *The Ballad of Rocky Rontal*. And in the tour de force novella *The Auroras*, a man severs himself from his old life and seeks to make a new one in a new city, only to find himself seduced and controlled by a powerful woman. Richly drawn, full of unforgettable characters, *The King is Always Above the People* reveals experiences both unsettling and unknown and yet eerily familiar in this new world.

Lost City Radio Daniel Alarcón, 2009-10-13 For ten years Norma has been the on-air voice of consolation and hope for the Indians in the mountains and the poor from the barrios, a people broken by war's violence. As the host of *Lost City Radio*, she reads the names of those who have disappeared, those whom the furiously expanding city has swallowed. Through her efforts, lovers are reunited and the lost are found. But in the aftermath of the decadelong bloody civil conflict, her own life is about to forever change thanks to the arrival of a young boy from the jungle who provides a cryptic clue to the fate of Norma's vanished husband.

War by Candlelight Daniel Alarcón, 2006 Daniel Alarcón is a brilliant new voice in literary fiction. *War by*

Candlelight is a beautiful vital and luminous first collection. Something is happening around the globe: the mass movement of peoples, dislocations of language and culture in the wake of war and economic crises. Simply put, our world is changing. In this exquisite collection, Daniel Alarcón takes the reader from Third World urban centres to the fault lines that divide nations and people, personalising the shifting realities of our own contemporary world. These nine stories examine the lives of various characters in transition: from unrepentant terrorists to immigrants wrestling with the idea of never returning home; men and women never entirely free of the convulsive conditions that define their lives. Wars, both national and internal, are waged in jungles, across borders, in the streets of Lima, in the intimacy of New York apartments.
