## **Bp Brand Identity Guidelines:**

*Creating a Brand Identity: A Guide for Designers* Catharine Slade-Brooking, 2016-01-18 Creating a brand identity is a fascinating and complex challenge for the graphic designer. It requires practical design skills and creative drive as well as an understanding of marketing and consumer behaviour. This practical handbook is a comprehensive introduction to this multifaceted process. Exercises and examples highlight the key activities undertaken by designers to create a successful brand identity including defining the audience, analyzing competitors, creating mood boards, naming brands, designing logos, presenting to clients, rebranding and launching the new identity. Case studies throughout the book are illustrated with brand identities from around the world including a diverse range of industries: digital media, fashion, advertising, product design, packaging, retail and more.

*Designing Brand Identity* Alina Wheeler, Rob Meyerson, 2024-03-06 Revised and updated sixth edition of the best selling guide to branding fundamentals, strategy and process. It's harder than ever to be the brand of choice in many markets; technology has lowered barriers to entry, increasing competition. Everything is digital and the need for fresh content is relentless. Decisions that used to be straightforward are now complicated by rapid advances in technology, the pandemic, political polarization and numerous social and cultural changes. The sixth edition of *Designing Brand Identity* has been updated throughout to address the challenges faced by branding professionals today. This best selling book demystifies branding, explains the fundamentals and gives practitioners a roadmap to create sustainable and successful brands. With each topic covered in a single spread, the book celebrates great design and strategy while adding new thinking, new case studies and future facing global perspectives. Organized into three sections: brand fundamentals, process basics and case studies, this revised edition includes over 100 branding subjects, checklists, tools and diagrams. More than 50 all new case studies that describe goals, process, strategy, solutions and results. New content on artificial intelligence, virtual reality, social justice and evidence based marketing. Additional examples of the best most important branding and design work of the past few years. Over 700 illustrations of brand touchpoints. More than 400 quotes from branding experts, CEOs and design gurus. Whether you're the project manager for your company's rebrand or you need to educate your staff or students about brand fundamentals, *Designing Brand Identity* is the quintessential resource. From research to brand strategy, design, execution to launch and governance, *Designing Brand Identity* is a compendium of tools for branding success and best practices for inspiration.
