Writers and Their Web Sites Miriam E. Conteh-Morgan, 2005-10-30 Now a firmly established part of world literature course offerings in many general education curricula African literature is no longer housed exclusively with African Studies programs and is often studied in English French Portuguese Women s Studies and Comparative Studies departments This book helps fill the great need for research materials on this topic presenting the best resources available for 300 African writers These writers have been carefully selected to include both well known writers and those less commonly studied yet highly influential They are drawn from both the Sub Sahara and the Maghreb the major geographical regions of Africa The study of Africa was introduced into the curriculum of institutions of higher learning in the United States in the 1960s when the Black Consciousness movement in the United States and the Cold War and decolonization movements in Africa created a need for the systematic study of other regions of the world Between 1986 and 1991 three Africans won Nobel literature prizes Soyinka Mahfouz and Gordimer and the visibility of African writers increased They are now a firmly established part of world literature courses in many general education curricula throughout North America African Writers is meant to serve as a resource for introductory material on 300 writers from 39 countries These writers were selected on the basis on two criteria that there is material on them in an easily available reference work and that there is some information of research value on free Web sites Each writer is from the late 19th or 20th century with the notable exception of Olaudah Equiano an 18th century African whose slave narrative is generally considered the first work of African literature All entries are annotated

Bride Price Jonas Darko-Yeboah, Ph.D., Tafadzwa Nyandoro, 2017-10-03 When Kofi and Pam a young couple living in urban Calgary got engaged they decided to honour their African traditions travelling to Ruwa Zimbabwe to perform the Lobola Bride Price Ceremony prior to the Western style wedding ceremony they would have upon their return to Canada The groom s father acts as the narrator in this cultural social and romantic expedition taking us through the events leading up to and following the ceremony and offering us a firsthand look at the often misunderstood and maligned ceremony itself Between the often amusing exploits of his Canadian family experiencing the unpredictability of the African wildlife for the first time and the historical insights he offers regarding the sometimes surprising cultural differences they encounter Jonas captures this pivotal period in his family s life with a unique narrative keepsake they will likely treasure for years to come But it has a lot to offer those of us who aren t a part of this familial circle as well Part romantic familial adventure and part anthropological study Bride Price Lobola Narrative and Interpretation is sure to engage your emotions even as it informs
