## **Burlington:**

Burlington Michael D. Rouse, Robert Schrage, Laurie Wilcox, 2004 A rural town located in Northern Kentucky Burlington has functioned as the miniature capital city of Boone County since 1799 As the county seat Burlington hosts all of the functions of county government along with the businesses schools and churches that make it a vibrant community Burlington now lies at the heart of one of the fastest growing counties in the nation which has seen unprecedented growth over the last two decades Even so many of the elements that make Burlington such a wonderful example of a rural county seat remain evident today The images presented here express the rich history of Burlington which is unique in many ways but also reminiscent of a typical American small town Collected for the first time are photographs of the institutions places and events that have defined life in Burlington for more than 200 years Most important are the people who quickly left their mark on this hard working farming community including Kentucky s first woman sheriff a celebrated Kentucky folk artist and three inventors one of whom was known as Burlington s Cornfield Edison and who left behind many enduring photographs of this Kentucky county seat

**Burlington** Mary Ann DiSpirito, David Ernest Robinson, 1999-07 In Burlington Volume II authors Mary Ann DiSpirito and David Robinson continue the detailed look at this intriguing Vermont city Discovered by Samuel de Champlain in 1609 the next few centuries saw Burlington evolve from a wilderness to a small settlement and eventually flourish into Vermont s largest city Situated on the shores of Lake Champlain Burlington s waterfront area became the early center of commerce in the late eighteenth century with the rise of the lumber industry and the use of ships for transport By 1865 when Burlington was incorporated as a city the industries that profoundly shaped Burlington s personality were already well established these included lumber textiles shipping and the railroad as well as higher education

Burlington Firefighting Toni Faria, 2008 Burlington settled in 1642 and incorporated in 1799 began as a quiet farming community For the first 100 years after the town s founding no fire department existed and by 1900 many important buildings had tragically been lost to fires The loss of these historic landmarks prompted the beginning of a group of volunteer firefighters that protected the town until the first full time fire department s establishment in 1951 Over the years the department expanded to meet the demands of the town s rapid growth Today the fire department consists of professionals constantly striving to improve the department and committed to serving the people of Burlington
