Management Accounting in China and Southeast Asia Robert C. Rickards, Rolf Ritsert, Kanitsorn Terdpaopong, 2021-04-29 This book is an essential guide to understanding how managers in China and Southeast Asia make effective economic decisions. In today's competitive global economy, it's vital to grasp how the most dynamic part of Asia is employing accounting tools in actual practice. The carefully crafted empirical studies presented here demonstrate the application of management accounting concepts in a variety of economic scenarios. Overall, these comparative investigations describe theory and common practices in a way that yields insights for both strategic and day-to-day problem solving. Accordingly, *Management Accounting in China and Southeast Asia* will interest graduate students, professional practitioners, and researchers in accounting, management, and finance.

The Routledge Companion to Family Business Franz Kellermanns, Frank Hoy, 2016-09-13 The *Routledge Companion to Family Business* offers a definitive survey of a field that has seen rapid growth in research in recent years. Edited by leading scholars with contributions from the top minds in family business from around the world, this volume provides researchers and scholars with a comprehensive understanding of the state of the discipline. Over 25 chapters address a wide variety of subjects, providing readers with a thorough review of the key research themes in the modern family firm, such as corporate social responsibility and bank debt rationing. International examples cover a wide range of economies, including China, Europe, and Latin America. The book will appeal to undergraduates, postgraduates, and business instructors seeking a definitive view of the issues and solutions that affect and support family business.

Digital Transformation of the Economy: Challenges, Trends and New Opportunities Svetlana Ashmarina, Anabela Mesquita, Marek Vochozka, 2019-02-05 This book gathers the best contributions from the conference *Digital Transformation of the Economy: Challenges, Trends and New Opportunities*, which took place in Samara, Russian Federation, on May 29-31, 2018. Organized by Samara State University of Economics, Samara, Russia, the conference was devoted to issues of the digital economy. Presenting international research on the impact of digitalization on economic development, it includes topics such as the transformation of the institutional environment under the influence of informatization, the comparative analysis of digitalization development in different countries, and modeling the dependence of the rate of change in the economy on the level of digitalization penetration into various spheres of human activity. It also covers business process transformation in the context of digitalization and changes in the structure of employment and personnel training for the digital economy. Lastly, it addresses the issue of ensuring information security and dealing with information risks for both individual enterprises and national economies as a whole. The book appeals to both students and researchers whose interests include the development of the digital economy, as well as to managers and professionals who integrate digital solutions into real-world business practice.

Management Controlling and Governance of Family Businesses Antonio Leotta, 2020-08-18 This book addresses a selection of major topics in family businesses, namely managerialization and professionalization, succession

internationalization access to financial markets and how governance and control systems can help family firms respond to common problems inherent in the business. Written by prominent experts the respective chapters highlight the interactions between these topics in order to develop a systems view of the distinctive challenges and of the potential roles that governance and control systems can play in these contexts. The book is divided into two main parts the first of which reviews the current literature and develops a comprehensive theoretical framework. Based on these theoretical insights the second part then interprets and discusses the empirical evidence including case studies on family run firms in Italy.
