

Personal Leadership Philosophy Statement

Topic: Business | Words: 951 | Pages: 3

Introduction

Public safety leadership position requires an establishment of a solid personal philosophy that would affect the approaches applied to the process of organization of labor and general leading. Personal leadership philosophy defines the core principles of the leader that they incorporate into the overall productivity of the organization in order to achieve the most valuable outcomes (Indeed.com, Feb 2020). This way, the leaders control the organizational processes through detailed set of personal priorities and values that align with the organizational goals.

The main component within the leadership philosophy is the structure that is designated to bring order and clarification to the execution of the core principles. The leadership style that I intend to bring to the public safety organization is transformational philosophy. At the same time, the type of service that I will evaluate is an emergency management organization.

Core Principles of Transformational Leadership Philosophy

Transformational Leadership Theory focuses on the consistency and quality of development. Moreover, these concepts apply to several aspects, such as teamwork, the efficiency of leadership, the difficulty of planned activities, and general rates of achievement of determined goals (Masud, 2019). Within transformational personal leadership philosophy, the leader primarily focuses on figuring out the ways to enhance the
