Mindfulness Meditation: Peace and Tranquility

You can't find happiness in your past. You can't find happiness in your future. You can find happiness in your present. There is life in the here, in the now, and it is real happiness. Through mindfulness, you can harness your energy within to be aware of the things that can make you happy. There is no need to wait for decades before you can feel happiness. You can be happy every day. Many of us are alive yet don't recognize this as a miracle. But if you focus on your breathing and you become mindful of every movement of your lungs, you are experiencing a miracle within. Some of us are forgetful because we are not truly present in the now. Our mind could be trapped in our anger, our regrets, our fears, and we might be failing to see what is being there. This is known as forgetfulness. Someone can be physically present but his mind is somewhere else. You might be trapped in the future or past. You're not living in the here and in the now. This is forgetfulness, which is on the other side of the spectrum of mindfulness. This book contains proven steps and strategies on how you can harness the power of mindfulness meditation to find your way to your happiness and tranquility within. Probably you have heard about meditation as a way to take a break, to be calm, or to think deeply. But there is so much more about meditation. You can use this as a way to enter into a state of deep, profound peace. It is only possible if you have a silent and calm mind, yet completely aware. Your inner transformation is just starting, and it will raise you to an elevated level of mindfulness. This will let you to experience more happiness and fulfill your true potential as a human being. But the question is how you can achieve this state of being. This book is written for you. You can refer to this book as your guide in discovering the benefits and wonders of meditation as a life-changing practice. Specifically, you can learn the following: Finding happiness and tranquility within through mindfulness. Mindful breathing. How to improve your focus. How to be aware of your body through meditative body scan. How to relieve stress through mindfulness techniques.
