Tokyo Ghoul: re, Vol. 1 Sui Ishida,2017-10-17 In the world of Tokyo Ghoul sometimes the only way to fight monsters is to become one The Commission of Counter Ghoul is the only organization fighting the Ghoul menace and they will use every tool at their disposal to protect humanity from its ultimate predator Their newest weapon in this hidden war is an experimental procedure that implants human investigators with a Ghoul s Kagune giving them Ghoul powers and abilities But both the procedure and the newly formed Qs Squad are untested Will they become heroes or monsters Haise Sasaki has been tasked with teaching Qs Squad how to be outstanding investigators but his assignment is complicated by the troublesome personalities of his students and his own uncertain grasp of his Ghoul powers Can he pull them together as a team or will Qs Squad first assignment be their last

Recovering Black Storytelling in Qualitative Research S.R. Toliver,2021-11-18 This research based book foregrounds Black narrative traditions and honors alternative methods of data collection analysis and representation Toliver presents a semi fictionalized narrative in an alternative science fiction setting refusing white centric qualitative methods and honoring the ways of the griots who were the scholars of their African nations By utilizing Black storytelling Afrofuturism and womanism as an onto epistemological tool this book asks readers to elevate Black imaginations uplift Black dreams and consider how Afrofuturity is qualitative futurity By centering Black girls the book considers the ethical responsibility of researchers to focus upon the words of our participants not only as a means to better understand our historic and current world but to better situate inquiry for what the future world and future research could look like Ultimately this book decenters traditional white centered qualitative methods and utilizes Afrofuturism as an onto epistemological tool and ethical premise It asks researchers to consider how we move forward in data collection data analysis and data representation by centering how Black girls reclaim and recover the past counter negative and elevate positive realities that exist in the present and create new possibilities for the future The semi fictionalized narrative of the book highlights the intricate methodological and theoretical work that undergirds the story It will be an important text for both new and seasoned researchers interested in social justice Informed and anti racist researchers will find Endarkened storywork a useful tool for educational cultural and social critiques now and in the future
