Readings in the Philosophy of Law - Fourth Edition Keith C. Culver, Michael Giudice, 2026-01-08 Readings in the Philosophy of Law is a concise anthology of central arguments and issues in legal theory Selections are edited only lightly allowing readers to grapple with arguments in their original form Clear accessible introductions are provided giving readers an extra way in to understanding complex arguments Particular care is taken to place arguments in historical and social context with analogies and examples emphasizing the continuing relevance of historical and contemporary arguments Readings are supplemented by thoughtfully constructed lists of further readings as well as discussion questions designed to invoke deeper reflection on the issues at play New readings in this edition discuss the duty to obey intersectional theory legal pluralism Indigenous law and punishment

God's Design, 4th Edition Elmer Martens, 2015-11-11 How does one summarize the thirty nine books of the Old Testament How might one determine the message of the Old Testament with others This book attempts an answer to these questions The answer is taken from a single Scripture passage Exodus 5:22-6:8 which is here considered a theological Table

of Contents for the Old Testament In addition to such topics as Deliverance Community and Experiencing God the book has an extended discussion on Land a subject which deals with a wide range of interests but which only rarely receives attention in books on biblical theology The current edition features reflections and a set of discussion questions following each of the seventeen chapters a boon for university and seminary teachers and students and of large help for church study groups

Traditions & Encounters Volume 1 From the Beginning to 1500 Herbert Ziegler, Jerry Bentley, 2014-10-08

Traditions Encounters offers an inclusive vision of the global past one that is meaningful and appropriate for the interdependent world of contemporary times Given the diversity of human societies gathering and organizing the sheer mass of information in a meaningful way is a daunting challenge for any world history survey course The seven part chronological organization enables students to understand the development of the world through time while also exploring broader big picture thematic issues in world history Through new and revised chapter level and part level features the hallmark twin themes of traditions and encounters emerge in greater clarity than ever before in this sixth edition As a result students have resources that enable them to move beyond the facts of history and examine the past critically analyze causes and effects and recognize similarities and differences across world regions and time periods By digging deeper into the implications of world history s stories not just the who the what and the where but also the why and the how students can make sense of the human past Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective
