*The Complete Lyrics of Oscar Hammerstein II* Oscar Hammerstein II, 2008-11-25 From every beautiful mornin' to some enchanted evening the songs of Oscar Hammerstein II are part of our daily lives his words part of our national fabric Born into a theatrical dynasty headed by his grandfather and namesake Oscar Hammerstein II breathed new life into the moribund art form of operetta by writing lyrics and libretti for such classics as *Rose Marie* music by Rudolf Friml *The Desert Song* Sigmund Romberg *The New Moon* Romberg and *Song of the Flame* George Gershwin Hammerstein and Jerome Kern wrote eight musicals together including *Sweet Adeline* *Music in the Air* and their masterpiece *Show Boat* The vibrant *Carmen Jones* was Hammerstein's all-black adaptation of the tragic opera by Georges Bizet In 1943 Hammerstein pioneer in the field of operetta joined forces with Richard Rodgers who had for the previous twenty-five years taken great strides in the field of musical comedy with his longtime writing partner Lorenz Hart The first Rodgers and Hammerstein work *Oklahoma!* merged the two styles into a completely new genre the musical play and simultaneously launched the most successful partnership in American musical theater Over the next seventeen years Rodgers and Hammerstein wrote eight more Broadway musicals *Carousel* *Allegro* *South Pacific* *The King and I* *Me and Juliet* *Pipe Dream* *Flower Drum Song* and *The Sound of Music* They also wrote a movie musical *State Fair* and one for television *Cinderella* Collectively their works have earned dozens of awards including Pulitzers Tonys Oscars Grammys and Emmys Throughout his career Hammerstein created works of lyrical beauty and universal feeling and he continually strove sometimes against fashion to seek out the good and beautiful in the world I know the world is filled with troubles and many injustices he once said But reality is as beautiful as it is ugly I just couldn't write anything without hope in it All of his lyrics are here 850 more than a quarter published for the first time in this sixth book in the indispensable Complete Lyrics series that has also brought us the lyrics of Cole Porter Lorenz Hart Ira Gershwin Irving Berlin and Frank Loesser From the young scribe's earliest attempts to the old master's final lyric *Edelweiss* we can see read and yes sing the words of a theatrical and lyrical genius

**ICEMSS 2018** Poppy Febriana, Mochammad Tanzil Multazam, Fika Megawati, Robbi Rahim, 2019-03-01 New media and development of gender roles law social and economic perspective This

theme was raised as an effort to observe the development of new technology that has greatly affected people's lives. Formerly to seek information, people can get it through conventional radio, media, newspapers, and television. But now, only using the smartphone, we can get very much information that can be obtained by accessing the online media portal or sharing and socializing through social media. For decades, it has been stated that the media has the power to shape public opinion. Media not only can form a worldview of society but also able to create awareness and individual belief in reality, a reality that has been defined by the media. Media has a powerful and direct effect to the audience market. Including how then the media formed an opinion in the community about gender roles through the content provided by the new media. Of course, it will be interesting to study media related to the law, social, and economic perspective.

The spontaneous, audacious voice of the speaking woman in medieval chansons de femme has delighted and puzzled critics for many years. Some call the voice folkloric, and others claim it is a courtly convention. This new sociolinguistic study examines the poetics of female speech within a dominantly male-voiced body of poetry. Using for material the extant lyrics in Mozarabic, Spanish, Galician, Portuguese, Provençal, Old French, and Italian, the book first discovers formal patterns of fragmentation and incorporation. Then the dramatic persona of the female speaker is identified by cultural characteristics of speech style, economic class, and political position. Finally, the conventions that govern the use of female speech are shown to pre-date the medieval period and persist to our own time. The New International Encyclopaedia, 1929. The Modern Language Review, 1908.
