Using Literature in the Middle School Curriculum Carol Otis Hurst, Rebecca Otis, 1999 In this valuable resource Hurst and Otis bring together the methods and philosophy for the extensive use of trade books in the middle school curriculum Novels picture books and non fiction materials are summarized and extended within the context of themes literary study and focus books for discussion and activities in the classroom and library Eighteen fully developed themes enable educators to bring literature into other areas of the curriculum In addition 29 literary works are explored through further activities and discussion again reaching into many curriculum areas A section on literary study that includes symbolism foreshadowing and flashbacks helps teachers guide students to an analytical level in their reading and writing Both teachers and students will greatly benefit from this useful resource

Bridge to Terabithia - Literature Kit Gr. 5-6 Marie-Helen Goyette, 2007-02-01 Travel to an imaginary land to discover the true power of friendship and the heartache of loss Provide open ended application and journal prompts to excite students about the reading Make a prediction on what the story will be about based solely on the front cover of the novel Put events in order that led to the creation of Terabithia Find the meaning of vocabulary words then use each word in a sentence Students describe how they would respond to someone bullying them Then students create their own imaginary place like Terabithia Keep track of events as they happen month by month in the novel with an Events Calendar graphic organizer Aligned to your State Standards additional crossword word search comprehension quiz and answer key are also included About the Novel A dramatic and fascinating story of friendship Jesse Aarons is a fourth grader who loves to run Once the fastest and best runner at Lark Creek Elementary School in Virginia until he was challenged by a girl Leslie Burke Leslie and her parents were new to this community and they soon became best friends their relationship was a strong one Then Leslie gets a great idea to create Terabithia a secret place in the woods only for themselves One day while Jesse is not there Leslie tries to cross the bridge to Terebithia but falls in and drowns When Jesse finds out he is devastated Soon after the Burke family moves away but Jesse believes that she has taught him something

Sketching Stories, Stretching Minds Phyllis Whitin, 1996 Sketching Stories Stretching Minds captures the power of young people s visual responses to literature Working in a community of learners Phyllis Whitin encouraged her students to respond to their readings through sketched interpretations Like pieces of writing the sketches became a vital part of the curriculum as

vehicles for discussion and reflective tools for understanding Her book shows how she implemented the strategy how she discovered came to understand and refined it to fit the needs of her seventh grade classroom From that perspective the book is a model for high quality teacher research I have grown as a teacher by looking closely at classroom events and by inviting students to share their thinking with me Whitin states in the preface I have found that teacher research does not mean doing something to kids Instead teacher research is looking closely listening attentively and learning collaboratively with my students Upper elementary middle and high school teachers looking for ways to expand literary interpretation and self evaluation in the classroom will find *Sketching Stories Stretching Minds* invaluable

Was the American Revolution a Mistake? Burton Weltman,2013-08-27 Why was George Washington dismayed by the outcome of the American Revolution Would slavery still exist if the South had not seceded from the Union in 1861 Might socialists rule America today if Teddy Roosevelt had not run for President and lost in 1912 History is full of contingencies People confront problems and debate options for solving them Then they make a choice and face the consequences of their choice Often they wonder if a different choice might have been better Was the American Revolution a mistake Was racial segregation inevitable Was the Cold War necessary Americans have repeatedly asked these sorts of questions as they examined the consequences of their choices This is a book about revisiting crucial choices people made in history and examining the consequences of those choices for them and for us It demonstrates a method of teaching history that recreates events as people experienced them and asks important questions that troubled them but that rarely appear in conventional textbooks Unlike conventional methods that often reduce history to names dates and factoids for students to memorize it is a method that brings past debates to life the losers as well as the winners points of view and makes the subject exciting In studying history as choice students examine the problems people faced their options for solving them their decision making processes and the choices they made Then students evaluate the consequences of those choices both for people in the past and us today They explore what might have happened if different choices had been made Finally students relate the consequences of those past choices to problems we face today and the choices we need to make History as choice is a practical and practicable method It has been designed to satisfy the curriculum goals of the National Council for the Social Studies and the book explains how it can be used to satisfy any state or local curriculum standards The book also identifies and illustrates resources that can be used with this method from data bases to popular music and explains how teachers can gradually integrate it into their courses In the first part of the book the method of history as choice is explained using the question of whether the American Revolution was a mistake as a case in point The second part of the book explores thirteen other questions about significant issues and events in American history as additional examples of how one might teach history as choice
