**The Revised Reports**, 1906 **The Revised Reports** Frederick Pollock, Robert Campbell, Oliver Augustus Saunders, Arthur Beresford Cane, Joseph Gerald Pease, William Bowstead, 1906 [Diana in Search of Herself](#) Sally Bedell Smith, 1999 *Diana in Search of Herself* is the first authoritative biography of one of the most fabled women of the century Even those who knew Princess

Diana will be surprised by author Sally Bedell Smith's insightful and haunting portrait of Diana's inner life. For all that has been written about Diana—the books, the commemorative magazines, the thousands of newspaper articles—we have lacked a sophisticated understanding of the woman, her motivations, and her extreme needs. Most books have been exercises in hagiography or character assassination, sometimes both in the same volume. Sally Bedell Smith, the acclaimed biographer, former New York Times reporter, and Vanity Fair contributing editor, has written the first truly balanced and nuanced portrait of the Princess of Wales in all her emotional complexity. Drawing on scores of interviews with friends and associates who had not previously talked about Diana, Ms. Smith explores the events and relationships that shaped the Princess, the flashpoints that sent her careening through life, her deep feelings of unworthiness, her view of men, and her perpetual journey toward a better sense of self. By making connections not previously explored, this book allows readers to see Diana as she really was, from her birth to her tragic death. Original in its reporting and surprising in its conclusions about the severity of Diana's mental health problems, *Diana in Search of Herself* is the smartest and most substantive biography ever written about this mesmerizing woman.
