Why Is It so Difficult to Forgive from a Biblical Perspective? Robert E. Gaines Sr PhD,2020-09-29 The process of forgiveness is often complicated but it can be rewarding when completed Forgiveness may not be easy for many but it is essential for spiritual maturity To do so we must understand what forgiveness means or entails as well as what it does not At one point or another all human beings especially Christians must forgive and be forgiven This study presents a journey through the scriptures to discover why it is so hard to forgive and what can be done to accomplish it from a biblical perspective Building on personal insight and strategies author Robert E Gaines Sr PhD first focuses on the misconceptions about forgiveness and explores its meaning He then considers the Christian motivation to forgive and reveals the freedom found in forgiveness Then the discussion moves to the process of forgiveness and the benefits of completing the process of forgiving Encouraging and inspiring this biblical study examines all aspects of forgiveness from a biblical perspective and proposes ways for Christians to embrace the freedom that it brings **Praying for the Impossible** Uebert

Anne Applebaum,2025-08-26 NEW YORK TIMES BESTSELLER WITH A NEW PREFACE From the Pulitzer prize winning author an alarming account of how autocracies work together to undermine the democratic world and how we should organize to defeat them A masterful guide to the new age of authoritarianism clear sighted and fearless John Simpson The Guardian Especially timely The Washington Post We think we know what an autocratic state looks like There is an all powerful leader at the top He controls the police The police threaten the people with violence There are evil collaborators and maybe some brave dissidents But in the 21st century there is so much more to it Nowadays autocracies

work together from China to Russia to Iran Corrupt companies and kleptocrats in one country do business with corrupt companies and kleptocrats in another The police in one country can arm and train the police in another diplomats band together to bend international rules and propagandists share resources and themes pounding home the same messages about the weakness of democracy and the evil of America Disapproval and sanctions cannot move the autocrats Even popular opposition movements from Venezuela to Hong Kong to Moscow don't stand a chance The members of Autocracy Inc aren't linked by a unifying ideology like communism that can be defeated but by a common desire for power wealth and impunity In this urgent treatise Anne Applebaum calls for the democracies to fight a new kind of threat A new preface to the paperback edition highlights the increased relevance of these dangerous dynamics in light of the return of Donald Trump to the American presidency
