Project Management Clifford F. Gray, Erik W. Larson, 2021 Our motivation in writing this text continues to be to provide a realistic socio technical view of project management In the past textbooks on project management focused almost exclusively on the tools and processes used to manage projects and not the human dimension *Instructors Solutions Manual* Mark Hanna, 2001-05-17 Project Management Clifford F. Gray, Erik W. Larson, 2008 As the market leading textbook on the subject Project Management The Managerial Process 4e is distinguished by its balanced treatment of both the technical and behavioral issues in project management as well as by its coverage of a broad range of industries to which project management principles can be applied It focuses on how project management is integral to the organization as a whole The 4th edition reflects the latest changes found in the practice Other texts discuss the topics covered in this text but they do not view oversight as the project manager's operating environment as does Gray Larson Project Management Jack R. Meredith, Samuel J. Mantel, 2006 Jack Meredith offers readers an insight into human behaviour knowledge of organisational issues and quantitative methods needed to do project management He emphasises the challenges they'll face including planning negotiating budgeting communicating and scheduling
