Christmas Party Emcee Script:

Dear Bob William A. Luke, 2013-12 This is a story of a life actually it s the story of multiple lives To truly understand each tale you have to go back to the beginning And that beginning takes you to Iron Mountain Michigan where I was born on December 20th 1924 the second son of Clyde and Permele Luke The Bob in the letters is my older brother Dr Robert C Luke Two years older than me and twice as cocky Bob and I had a love hate relationship Writing to him as I did was my way of telling him about the things that were happening in my life but also a way to reminisce about the things that I experienced and wished to remember Much of the book centers around the events leading up to my wedding Meeting my wife of 63 years our courtship the wedding from hell the years in between and ending with our separation in 2012 when Beverly passed on is the cornerstone of my life story But there is so much more so much that happened before Bev flipped off the big black bear read on so much that occurred prior to our having to deal with Bridgers and red necks in Florida World War 2 had a profound impact on my life as it did on every American who is part of the Greatest Generation Putting my recollection of my time on the island of Sumar in the South Pacific on paper has allowed me to contribute to our country s story My history is the history of thousands of other sailors who were tens of thousands of miles from home fighting a war and wondering when we d get to go back home My wish is for everyone who reads this book to smile and remember their own life story and enjoy mine
