Fear & Memory in the Brazilian Army and Society, 1889-1954 Shawn C. Smallman, 2002 Smallman argues that through fear and censorship Brazil's military has sought to distort its record on racial politics institutional corruption and terror campaigns Using newly available secret police reports army records and oral histories he challenges conventional Brazilian history which has typically reflected the military's own version of its role in national development **Millenarian Vision, Capitalist Reality** Todd A. Diacon, 1991-08-29 Why did a millenarian movement erupt in the Brazilian interior in 1912 Setting out to answer this deceptively simple question Todd A Diacon delivers a fascinating account of a culture in crisis Combining oral history with detailed archival research Millenarian Vision Capitalist Reality depicts a peasant community whose security in economic social and religious relations was suddenly disrupted by the intrusion of international capital Diacon shows how a deadly triumvirate comprised of foreign capital state power and local bosses engineered a land tenure revolution that threatened smallholders subsistence sparking rebellion among the Contestado peasants Unlike most analysis of millenarian movements Diacon combines a material analysis with a careful exploration of the movement's millenarian ideology to demonstrate how a particular combination of external and internal forces produced a crisis of values in the Contestado society Such a crisis Diacon concludes gave a special power to the millenarian vision that promised not only outward reform but inner salvation as well This work offers a significant contribution to the literature of millenarian movements popular religion peasant rebellions and the transition to capitalism in Brazil **!Camaradas!** Raúl Carrancá y Trujillo, 1938 *Tratado de Medicina e de outros variados interesses do Brazil e da humanidade* Fortunato Raphael NOGUEIRA PENIDO, 1858 *Japanese Diasporas* Nobuko Adachi, 2006-10-03 Japanese Diasporas examines the relationship of overseas Japanese and their descendents Nikkei with their home and host nations focusing on the political social and economic struggles of Nikkei Frequently abandoned by their homeland and experiencing alienation in their host nations the diaspora have attempted to carve out lives between two worlds Examining Nikkei communities and Japanese migration to Manchuria China Canada the Philippines Singapore and Latin America the book compares Nikkei experiences with those of Japanese transnational migrants living abroad The authors connect theoretical issues of ethnic identity with the Japanese and Nikkei cases analyzing the hidden dynamics of the social construction of race ethnicity and homeland and suggesting some of the ways in which diasporas are transforming global society today Presenting new perspectives on socio political and cultural issues of transnational migrants and diaspora communities in an economically intertwined world this book will be of great interest to scholars of diaspora studies and Japanese studies The Spanish Civil War, the Soviet Union, and Communism Stanley G. Payne, 2008-10-01 In this compelling book Stanley G Payne offers the first comprehensive narrative of Soviet and Communist intervention in the revolution and civil war in Spain He documents in unprecedented detail Soviet strategies Comintern activities and the role of the Communist party in Spain from the early 1930s to the end of the civil war in 1939

Drawing on a very broad range of Soviet and Spanish primary sources including many only recently available Payne changes our understanding of Soviet and Communist intentions in Spain of Stalin's decision to intervene in the Spanish war of the widely accepted characterization of the conflict as the struggle of fascism against democracy and of the claim that Spain's war constituted the opening round of World War II The author arrives at a new view of the Spanish Civil War and concludes not only that the Democratic Republic had many undemocratic components but also that the position of the Communist party was by no means counterrevolutionary
