Scholastic Study Smart Grammar Builder Grade 2 Scholastic (New York), 2013 Grammar Builder is a series of 6 grammar practice books that enables students to review and apply essential grammar. As knowledge of grammar is essential in the acquisition of English as the student progresses through the worksheets they will strengthen the skills needed to read and write well. Each grammar item is covered in three pages. The first two pages feature an explanation of the grammar item as well as a range of exercises that target the student's ability to identify and apply it. The final page provides a quick assessment of the student's understanding of the use of the grammar item. Main features: Grammar items covered at one level are reinforced at subsequent levels so that students can consolidate their learning and build upon it. Extensive and structured exercises targeted at improving and evaluating students' understanding of specific grammar items. Assessment after each targeted grammar item and a revision section at the conclusion of the book to assess and consolidate learning. For use with Grades 2

English for Everyone Teacher's Guide DK, 2018-06-05 An essential teacher's companion to an innovative uniquely visual English language course. This e-guide helps English teachers, including those for whom English is not their native language, create clear, focused lesson plans, explain difficult concepts in a simple and concise way, and make language learning exciting, intuitive, and incredibly easy. This teacher's e-guide is designed to accompany *English for Everyone*, a comprehensive course in English as a foreign language for adults. *English for Everyone* combines innovative and systematic visual teaching methods with the best of DK design to make the English language easy to understand and learn. Key language skills, grammar rules, and vocabulary are reinforced with listening, speaking, reading, and writing exercises available in print and digital formats. The *English for Everyone Teacher's Guide* helps busy classroom teachers or one-on-one tutors get the most out of using the course with their students. Its step-by-step guide to the crystal-clear, tightly structured teaching method shows teachers how to explain even the trickiest points of English in an engaging, easy-to-follow way. It also includes instructions for the series' highly versatile exercises, which are primarily suitable for homework, independent study, or one-on-one tutoring, but are readily adapted for classroom or group activities.
