New York Magazine, 1996-08-12 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

Morning and Evening Meditations from the Word of God Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them. This book is different in two respects. The first is obvious: it contains two readings per day, 732 in all. The second, more important difference is that the author wanted to do more than offer inspiration; this would make this book no different than so many others. The messages in the book are study sketches in that the content is not only inspirational but also educational, challenging, and encouraging. Most of these writings were based on author Michael J. Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God.

Fascist Hybridities Rosetta Giuliani Caponetto, 2016-02-05 Under Italian Fascism, African-Italian mulattoes and white Italians living in Egypt posed a particular threat to the pursuit of a homogeneous national identity. This book examines novels and films of the period, showing that their attempts at stigmatization were self-undermining, forcing audiences to reassess their collective identity.

All Things to All People: Confessions of a Rebellious Preacher's Son Begees McFree, 2019-08-16 *All Things to All People* is an introverted narrative penned by the son of a Gospel preacher and his alter ego, Begees McFree. This playfully written autobiography of a simple, quiet, and peaceable man guides the reader through depression-induced insomnia, confessions, looking deep into the often-hidden places of the heart and mind, these confessions freed the writer from lies and misunderstandings that had been buried deep within. *All Things to All People* shares the spiritual struggle of a man after a divorce broke apart his life and separated him from his children. Begees uses freewriting to disentangle his poor choices from his good intentions, gaining more self-control and growing closer to God while strenuously pushing unbelief out of his mind.
