

Buying a business

We identify key risks and rewards throughout the acquisition life cycle – even for the most complex deals. We can help you align deals with your strategic business objectives, maintain compliance and enhance value from integration and potential upside opportunity.

Selling a business

From helping you understand the potential risks and rewards of a divestiture to supporting you in minimizing value leakage, we assess your situation and support your negotiating position to maximize the sales price and execute the deal with minimal disruption to the remaining business operations.

Funding a business

We offer hands-on assistance through the process of raising capital, from initial assessment and strategy to successful execution. Using clear and consistent communications, we can help you develop and strengthen stakeholder support for the deal.

Fixing a business

To overcome operational or financial challenges and improve performance, you need to quickly stabilize your cash and liquidity positions and take a realistic view of current options. This extends to deals ecosystem, as today's competitive environment demands business to pivot, transform and seize opportunities. We can help you tackle these challenges via a strategic and detailed approach anchored on data and analytics, to understand and evaluate potential areas of improvement within your investment portfolios.

Partnership

Creating and setting-up a new joint venture or business combination requires specialized skills not only in assessing the legal and tax aspects, but also the capital market provisions in the local environment. KPMG's joint venture specialists can support you from pre-deal strategy and partner identification through to implementation and governance to power up your joint venture or business combination.
