Ark On Ararat:

The Ark on Ararat Tim LaHaye, John David Morris, 1977 **Quest for Discovery** Richard Carl Bright, 2001-09-01 In 1985 researchers found Titanic resting on the ocean floor and the international buzz continues Now is there evidence that the worlds other famous ship is perched on the snowy slopes of turkey s Mt Ararat Is Noah s ark myth or reality Veteran explorer Richard Bright has spent two decades investigating the claims for the wooden vessel mentioned in the Bible Over a dozen expeditions to the site and countless hours in research make Bright an authority on the ship Genesis says preserved the life of eight humans and a cargo of animals during a global cataclysm This incredible book details the dramatic climbs political intrigue and sheer danger involved in a quest for the greatest archaeological treasure of all time Never before seen photographs expedition accounts and persuasive evidences point to a massive manmade object hidden on remote Mt Ararat Read **Quest for Discovery** and make up your own mind **The Quest for Noah's Ark** John Warwick

Montgomery, 2025-08-12 John Warwick Montgomery has collected a vast treasure trove of accounts from ancient times to the mid twentieth century of sightings of Noah s Ark and explorations of Mount Ararat Valuable for the historian and the apologist this rich volume contains numerous maps photos and renderings of one of the Bible s most studied sites Publisher

Noah's Ark and the Ararat Adventure Master Books, John D. Morris, 1994 This unique family book was written by an explorer of that famous mountain A thrilling tale of danger daring and discovery this book contains actual photographs of Mt Ararat and detailed drawings of eyewitness sightings of Noah s ark **The Ark Discoveries** Richard Carl Bright, 2021-12-06 The Bible and Hebrew texts tell us The Bible tells us in Genesis 8 4 that the ark rested upon the mountains of Ararat Hebrew text tells us the ark came to rest on the mountains of rrt There are no vowels in original Hebrew text so rrt translated to Urartu and later to Ararat Research tells us the area extended from southeastern Turkey across the present border into Iran and north to include most of present day Armenia to the southwest corner of Georgia then southwest to about the present city of Malatya and back southeast and south of Lake Van and southeast Turkey It covered much of the eastern 1 3 of the present day Turkey Mount Ararat is within that general area Additional research that includes the time when Genesis is understood to have been written by Moses 1400 1450 BC indicates that the Urartu Kingdom may have included the area into what is now Northern Iraq and to Historic Assyria Additional research using Wikipedia tell us Assyrian sources from early 1300 BC have the Urartu Kingdom in the vast mountainous regions southwest of the Black Sea and Southwest of the Caspian Sea Mount Ararat is within that general area If the mountains of Ararat or Urartu has included such a large area or areas over the centuries then since there has been no verifiable discovery that has been proven to be a large structure of a great age It can be understood why some researchers are of the opinion that Mount Ararat may not have been in the area of Urartu at the time of the writing of the book of Genesis or the ark did not land on Mount Ararat but on another mountain within the vast area Some other mountains suggested by those who have varied opinions are mentioned in chapter 17 There is also the

belief by some that Mount Ararat is a post flood mountain This rationale is pursued despite the many reports more than 40 of an ark sighting on Mount Ararat A question here given regarding the landing place of the ark may be Was Mount Ararat in the Urartu Kingdom at the time Genesis was written You have read this book you know my position on the position of Mount Ararat when the ark landed and when Genesis was written It certainly was in the Urartu Kingdom in the 9th century BC which later succeeded to the Armenians in the 6th century BC but was Mount Ararat included in the mountains of Ararat Gen 8 4 when the book of Genesis was written Moses is understood to have written the book of Genesis Henrietta C Mears chapter 9 foot note 13 says the book of Genesis closes about 300 years before Moses was born Moses could have only received the information to write the book by a direct revelation from God or by historical records If historical records were involved where did the records come from She writes No doubt it was written long before by Abraham Noah or Enoch who knows Dr Henry Morris agrees also chapter 9 footnote 14 and adds that oral traditions handed down over the centuries may have been involved here too God shared the records with Moses in whatever manner he chose to do so The Word of God is truth As far as Mt Ararat being a post flood mountain as some seem to believe Dr John Morris Dr Tim LaHaye and other scientists tell us the mountain was pre flood and grew to its greatest height with all the geological activity that took place during the flood Chapter 9 Turkish geologist Dr Bayraktutan has located what are believed to be basement rocks that give proof that Mount Ararat was pre flood Who We Are section A question may be What area did the Urartu Kingdom occupy long before Moses arrived on the scene Wherever the area was I am of the belief that Mount Ararat was included in that area that would be known as the mountains of Ararat at the time the ark landed on it I have personally talked with at least 6 people who have seen or have personal knowledge of the ark on Ararat They are the Reverend Vince Will who saw it from an aircraft in WWII Ed Davis who during WWII was taken to see the ark by Kurds from his base in neighboring Iran two 2 Kurdish shepherds who told me they saw part of a large structure Dudley Thomas who held a top secret security clearance and saw satellite photographs and classified information in the Science and technology Highlights classified journal when in the navy and Saim Sahin who was taken to the ark and was able to touch it Their stories are in chapters 5 and 17 as well as in Who We Are and the Sketches and Photo Sections A complete study of the Urartu Kingdom can be seen here https://www.noahsarksearch.com/Urartu_Ararat_Boundaries.pdf *The Explorers of Ararat and the Search for Noah's Ark* B. J. Corbin, 1999 This book is a compilation of accounts written by experienced explorers who have searched for Noah's Ark since the 1960's Each explorer conveys his unique experiences and insights regarding the search **Full Moon Over Noah's Ark** Rick Antonson, 2015-09-26 Rick Antonson joined a five member expedition to the 5167 metre summit of Mount Ararat the most fabled mountain in the world He traces the earliest mountaineers seeking to scale Ararat initially drawn by eyewitness accounts of Biblical Ark sightings and later for the simple quest of conquering the seemingly unconquerable Noah's Ark: Ancient Accounts and New Discoveries (abridged) Henri Nissen, 2015-01-26 The book is about the discovery

of what is believed to be Noah's ark. A team of Turkish and Chinese explorers found a huge tree construction on top of mountain Mt Ararat in Turkey. The book and its content will question the foundation of the theory of Evolution and will raise confidence in the Bible as a historically reliable document which once again has proven its credibility. It's time for the truth to be revealed. Check here www.insidemountararat.com for a video, photos, and information about the latest development of Ararat expedition. **Mount Ararat and Noah's Ark History, Myth and Land** Faruk KAYA, Oktay BELLİ, Randall W.

YOUNKER, 2024-05-10 **More Than an Ark on Ararat** James Benson Irwin, Monte Unger, 1985 *The Old Testament According to the Authorized Version: The Pentateuch*, 1889 Creation and the patriarchs William E. Manley, 1875

Zion's Hope, 1910 **The Unsolved Mystery of Noah's Ark** Mary Irwin, 2012-10. Ararat, a behemoth of a mountain, is 17,000 feet of pain for anyone who dares trespass upon its icy heights. It is a place of dread where one wrong step can send climbers careening down a steep glacial field into the abyss known as the Ahora Gorge. Many have died on those slopes, and some have never been seen again. So why do climbers come to this place on the far east of the Turkish Frontier? It is not for sport alone; in fact, for most that is far from the real reason. They come to Ararat, flirting with death, to find an old boat we all know as Noah's ark. It is said that its rotting corpse is somewhere up there in the swirling clouds and slumbering silence of ancient ice. Come with Mary Irwin, one of the original ark geologists, as she travels to Ararat and back again, uncovering many of the ancient secrets of Noah's ark. You may be surprised what you find. The Quest for Noah's Ark, 1974 The Bible educator, ed. by E.H. Plumptre, Edward Hayes Plumptre, 1874 **Searching for Noah's Ark (ICR)** Institute for Creation Research, 2018-04-03. Join the Quest to Find Noah's Ark. Noah's Ark played a leading role in the book of Genesis but after safely carrying its passengers through the Flood, the Ark disappears from the pages of the Bible. What happened to it? Join Dr. John Morris on the adventure to find the Ark on the icy slopes of Mt Ararat where Genesis says it came to rest after many months of violent storm and destruction. You will learn how the existence of the Ark offers evidence of creation, what the flood and Ark can teach you about God's character, how to respond to claims that the story of the Flood is just a myth. Chronicling more than 45 years of personal accounts and offering geological, historical, and biblical evidence of the Flood, *Searching for Noah's Ark* will inspire you to take confidence in the Bible's historical accounts and its trustworthiness to us today.
