(Hi)Stories of Desire Rajeev Kumaramkandath, Sanjay Srivastava, 2020-02-20 Draws upon multi disciplinary frameworks of analysis to provide an account of the making of sexual cultures in modern India *Making of Distinctions* Antony Palackal, Nandita Chaudhary, Giuseppina Marsico, 2021-01-20 This volume explores inclusive oppositions in social sciences challenging artificial dichotomies and standardization It focuses on cultural dynamics and identity formation in Kerala India highlighting the intersection of gender identity religion ethnicity caste and global market forces *The BNO* Manoj Jain, 2016-02-15 Eight men Two girls One boys night He could be the man you say hello to in the lift every day he could be your boss he could be your husband She could be your sister the girl next door or your girlfriend In this fast paced novel that reveals a slice of urban life The BNO opens the doors to the locked world of people s minds and explores the lives of eight Mumbaikars examining them through their sexualities and what makes them behave in the way they do The BNO looks at how the lives of eight relationships get affected by a casual night out From the lonely housewife to the travelling business man the book delves into the very private lives of married couples and how a single night can alter all existing equations

A Situational Analysis of Child Sex Tourism in India , Towards Strengthening Rights of Minors and Adolescents in Tourism , **Children Rights and Wellbeing in India** Joseph A Gathia, Sanjay V. Gathia, 2015-01-01 India has emerged as one of the fastest growing markets in the world But what does it mean to its children Of total estimated population in 2014 as 1 236 million nearly 28 5 % are below age of 14 years Despite such a huge child population in India the issues that affect their lives and even survival tend to receive remarkably little attention This study Children s Rights and Well being in India Law Policy and Practice Volume I II and III is one among the few to address this theme on such a wide canvas that spans both time frame and issues There has been a growing interest over the past decade in the concept of child s rights among policy makers practioners and academics in both India and internationally But does it mean the same thing to children and families as it does to policy makers How can it be measured And if it has begun to impact on government policy has it made any difference to children s lives The three volume study Children s Rights and Well being in India provide an overview of key child development policies programmes laws trends and raises pertinence questions about their potential impact on children s rights The challenges of improving children s well being go beyond the provision of more effective public services important though these are The bigger questions are how can we create a society in which children are better valued and parents better supported in bringing up their children And what can be done to reduce inequalities which influence every aspect of children s well being This book makes use of a variety of sources of data including that of Govt of India the World Bank and UN agencies particularly the UNICEF and the ILO All the three volumes of Children s Rights and Well being in India are an essential text for all those who want to understand the crisis threatening our children s future **Social Health** ,1977
