The Fictions that Shape Men's Lives Christopher Kilmartin,2021-04-20 *The Fictions that Shape Men s Lives* is structured around a number of key fictions of masculinity such as beliefs in biological determinism the inevitability of men s violence and the opposition of the sexes and proceeds to expose them to be wholly or partially unfounded Examining the social pressure to behave and experience the self in ways that culture prescribes for the bodies we are perceived as having this book provides an awareness of widely held but distorted assumptions of gender It also seeks to put men into the position to resist masculine social pressures when conforming to it conflicts with important life goals or values and or causes harm Making use of an informal storytelling style provides an accessibility to those interested in breaking down their preconceptions of gender and masculinity as well making links to key theories and concepts This is a lively and engaging

book for undergraduates studying introduction to Gender Sexuality and Masculinity courses **The Case for Falling in Love** Mari Ruti, 2011-02-01 Praise for The Case for Falling in Love Why play hard to get when you can just get what you want Mari Ruti's lively research from Plato to Freud to Gossip Girl to her own bedroom finally puts an end to playing games and provides a resource for lovers and the love scorned alike A must read for anyone who has ever fallen in love wants to or wants to know what went wrong Arianne Cohen creator of TheSexDiariesProject.com At last a relationship advice book that will actually work If you're intelligent interested in love and like a book you can't put down this is it John Gray move over The brilliant Mari Ruti has arrived Juliet Schor professor of sociology Boston College and author of Born to Buy and Plenitude The New Economics of True Wealth Groundbreaking Ruti opens the eyes of her readers so that they can love better A must read Nancy Redd New York Times bestselling author of Body Drama Finally a book that takes love seriously Written with passion and verve I wish I had read this book years ago Sean Carroll author of From Eternity to Here The Quest for the Ultimate Theory of Time Are you tired of reading book after book and playing game after game trying to avoid heartbreak It seems impossible and maybe that's because you can't lock up your heart like that not if you want the real thing And maybe that's one of the best things about love We've been thinking about it all wrong Our culture's insistence that women need to learn how to catch and keep a man is actually doing much more harm than good The more we try to manipulate our relationships the less we are truly able to experience love's benefits and wonders Love is a slippery unruly thing and trying to control and manage it robs us of its delicious unpredictability Sure letting go of the reins a bit might mean a broken heart but heartbreak in fact offers a wealth of possibilities creativity wisdom and growth that we need in order to make the most of our lives Liberating for women who are frustrated by the idea that they just need to learn the right formula The Case for Falling in Love shows that there isn't a method to mastering the madness of love But that might be exactly what's so wonderful about it
