Penthouse Magazine March 2001:

Pornography Peter Lehman, 2006 Brings critical insights to the reality of porn and what it can tell us about ourselves sexually culturally and economically Divided into two sections this book covers important debates on the topic and traces the evolution of pornographic film including comparing its development to that of Hollywood cinema *Race Relations in the United States* Paul D. Buchanan, 2015-09-16 This chronology of significant events affecting race relations in the United States begins with the Plessy v Ferguson decision on May 18 1896 which approved the concept of separate but equal provisions for blacks and whites and thus set back the cause of real equality for decades and continues through 2005 More than 200 entries recount decisions and events that had a national impact Entries include such topics as the American white imperialism of the early 20th century milestones of the civil rights movement and the implications of the 2000 census The chronology traces a trail through the most important characters incidents and ideas that shaped how Americans of varying racial backgrounds have interacted with each other Burlesque West Becki Ross, 2009-07-25 After the Second World War Vancouver emerged as a hotbed of striptease talent In *Burlesque West* the first critical history of this notorious striptease scene Becki Ross delves into the erotic entertainment industry at the northern end of the dancers west coast tour the North South route from Los Angeles to Vancouver that provided rotating work for dancers and variety for club clientele Drawing on extensive archival materials and fifty first person accounts of former dancers strip club owners booking agents choreographers and musicians Ross reveals stories that are deeply flavoured with an era before striptease fell from grace because the world stopped dreaming in the words of ex dancer Lindalee Tracey Though jobs in this particular industry are often perceived as having little in common with other sorts of work retired dancers accounts resonate surprisingly with those of contemporary service workers including perceptions of unionization and workplace benefits and hazards Ross also traces the sanitization and subsequent integration of striptease style and neo burlesque trends into mass culture examining continuity and change to ultimately demonstrate that Vancouver s glitzy nightclub scene often condemned as a quasi legal strain of urban blight in fact greased the economic engine of the post war city Provocative and challenging *Burlesque West* combines the economic the social the sexual and the personal and is sure to intellectually tantalize Robert Williams Robert Williams, 2019-10-23 Robert Williams *The Father of Exponential Imagination* is a comprehensive career spanning comprehensive collection of the iconic painter s fine art including every one of his remarkable oil paintings along with a presentation of his drawings sculptures and works in other media Simply put this is the art book of the decade and the book that Williams has been working toward his entire career In the late 20th and early 21st century diverse forms of commonplace and popular art appeared to be coalescing into a formidable faction of new painted realism The new school of imagery was a product of art that didn t fit comfortably into the accepted definition of fine art It embraced some of the figurative graphics that formal art academia tended to reject comic books movie posters trading cards surfer art hot rod illustration to mention a few This

alternative art movement found its most apt participant in one of America's most controversial underground artists the painter Robert Williams It was this artist who brought the term lowbrow into the fine arts lexicon with his groundbreaking 1979 book *The Lowbrow Art of Robt Williams* Williams pursued a career as a fine arts painter years before joining the art studio of Ed Big Daddy Roth in the mid 1960s From this position he moved into the rebellious anti war circles of early underground comix as one of the celebrated ZAP cartoonists Featuring an introductory essay by Coagula Art Journal founder Mat Gleason along with a new art manifesto and foreword by Williams himself as well as tons of rare photos and ephemera
