

It's feelin' almost time, eh, bellringer? You and her who waits
up there. That fated meeting won't hold forever... Ready to
make your play, to oust one ruler and claim her place?

Soul Quest:

Religious Freedom and the Global Regulation of Ayahuasca Beatriz Caiuby Labate, Clancy Cavnar, 2023-03-29 This book offers a comprehensive view of the legal political and ethical challenges related to the global regulation of ayahuasca bringing together an international and interdisciplinary group of scholars Ayahuasca is a psychoactive brew containing N N Dimethyltryptamine DMT which is a Schedule I substance under the United Nations Convention on Psychotropic Substances and the legality of its ritual use has been interpreted differently throughout the world The chapters in this volume reflect on the complex implications of the international expansion of ayahuasca from health spirituality and human rights impacts on individuals to legal and policy impacts on national governments While freedom of religion is generally protected this protection depends on the recognition of a religion s legitimacy and whether particular practices may be deemed a threat to public health safety or morality Through a comparative analysis of different contexts in North America South America and Europe in which ayahuasca is consumed the book investigates the conceptual philosophical and legal distinctions among the fields of shamanism religion and medicine It will be particularly relevant to scholars with an interest in indigenous religion and in religion and law

Religion, Drug, or Cult? Henrique Fernandes Antunes, 2025-11-19 This book explores the emergence of the religious use of ayahuasca as a subject of public interest and state intervention in Brazil the United States and France In Brazil since the 1980s ayahuasca use has been permitted by the National Council on Drug Policies exclusively for religious purposes In the late 2000s public policies shifted from drug control to cultural heritage following demands by groups from Acre for recognition of their practices as intangible heritage In the United States two Brazilian religions Uni o do Vegetal UDV and Santo Daime as well as two non Christian churches the Church of the Eagle and the Condor and the Church of the Celestial Heart secured the legal right to use ayahuasca Through legal battles and settlements they obtained exemptions from the Controlled Substances Act CSA under the Religious Freedom Restoration Act RFRA In France ayahuasca was banned in 2005 just three months after a Santo Daime group successfully appealed drug charges Today ayahuasca remains illegal groups are often labeled as dangerous cults and seen as threats to French republican ideals Inspired by the anthropology of secularism and the sociology of public problems the book examines how terms like religion cult drug hallucinogen and cultural heritage are mobilized by various actors in public disputes to shape perceptions and influence policy It draws on legal cases public policies legislation academic literature social media institutional documents and interviews with key figures involved in regulatory debates The central thesis ayahuasca as a lens to understand how states define religion and determine legitimate religious practice offers fresh perspectives on the intersections of religious freedom drug policy and state authority Bridging multiple disciplines the book contributes to debates on law and religion and to a deeper understanding of how democracies manage minority faiths cultural rights and the boundaries of state intervention

Soul Quest Lauren Bloom, 2017-04-22 This Soul Quest Guide in a non sectarian way So you can pursue your

quest beyond the limits of a particular culture which gives you freedom to express the beauty of your own culture and convictions of what you consider the origin of life and love to be For example the inclusive term Spirit is used to refer to what you may call the Quantum Field of Intelligence The Energy or Spirit of Life The Spirit of Love The Universe Higher Power God Goodness or the ground of your being and so forth The inclusive term Soul is used to refer to that which describes the Spirit within the ground of your being and the being of all things seen and unseen This book is a Guide some of its precepts are advanced It will inform your path or reaffirm what you already know to be true It can help you to access the guiding voice of your Soul but it does not determine which path to follow Instead it offers tools to chart the path of your quest according to your own faith or personal convictions and in ways that serve you best As your Guide this book encourages you to Enjoy the Soul quenching beauty of your natural world Clarify the labyrinth and focus of your quest Identify what s holding you back to hear and honor the voice of your Soul and to celebrate your ability to be whole This book and your quest is a Self guided journey to the highest expression of who you really are If you would like to learn more about Soul Quest or to schedule a group or a private quest you can visit her website at www.isoulquest.com

Plant Medicines, Healing and Psychedelic Science Beatriz Caiuby Labate, Clancy Cavnar, 2018-04-28 This is a book about the intersections of three dimensions The first is the way social scientists and historians treat the history of psychiatry and healing especially as it intersects with psychedelics The second encompasses a reflection on the substances themselves and their effects on bodies The third addresses traditional healing as it circles back to our understanding of drugs and psychiatry The chapters explore how these dimensions are distinct but deeply intertwined themes that offer important insights into contemporary healing practices The intended audience of the volume is large and diverse neuroscientists biologists medical doctors psychiatrists psychologists mental health professionals interested in the therapeutic application of psychedelic substances or who work with substance abuse depression anxiety and PTSD patients and practitioners of complementary and alternative medicine ethnobotanists and ethnopharmacologists lawyers criminologists and other specialists in international law working on matters related to drug policy and human rights as well as scholars of religious studies anthropologists sociologists and historians social scientists concerned both with the history of science medicine and technology and concepts of health illness and healing It has a potentially large international audience especially considering the increasing interest in psychedelic science and the growing spread of the use of traditional psychoactives in the West

A Soul's Pilgrimage Charles Francis Bonaventure Miel, 1899

Soul Quest Paul Hawker, 2007

Finding himself at midlife feeling hollow and a like fraud Paul Hawker embarks on a journey into the wilderness In the tradition of the vision quest like a hero in a mythic tale he leaves his family and community to spend 40 days and 40 nights on a New Zealand mountaintop knowing full well the solitude deprivation and dangers he will face from exposure to the elements But like many mystics and sages before him he chooses a path of physical and spiritual testing as way to break

through the veneer of his life *Soul Quest A Spiritual Odyssey through 40 Days and 40 Nights of Mountain Solitude* is the ruthlessly honest account of Paul Hawker's attempt to open himself to the Source to discern the voice of God in his life
