

MUSICAL ANALYSIS

Directions: Students are to choose a song that conveys a particular message or expresses a certain feeling. Students may choose any song, but they should choose songs that allow for deep and meaningful interpretation or analysis. Students should not choose songs that are simple and do not have a deep meaning under the surface.

After choosing a song, students will analyze the song. Students must give a historical background on the writer, singer, and/or band that performed the song. Students must make sure that they highlight anything that would add meaning to their songs. Students may even want to explain historical or cultural events that are occurring around the time the song was written, since many songs are a commentary on social trends.

Look for the different aesthetic languages used in the song and fill out the following format.

TITLE:	Who Says	
AUTHOR:	Selena Gomez	
BACKGROUND:	This song was written back in March 2011, as a part of Selena's third album "When the sun goes down." According to Selena the song was intended to inspire people and fire back at the "haters" particularly those involved in cyber bullying. This song was later called fun and empowering.	
EMOTIONS	<p>HOPE</p> <p>"I wouldn't wanna be anybody else" She shows she's joyful and happy because the tempo is fast and her voice is very cheerful with a happy beat. The lyrics and tempo are very outgoing which symbolizes the thought of being happy and having hope. The song just seems very inspiring when you first listen to it because no matter what the lyrics speak, her voice stays fast and it sounds happy.</p>
