## **De Tolk Van Java:**

**The Interpreter From Java** Alfred Birney,2020-06-04 What a great novel its language and storytelling so light but also raw and lyrical A tremendous writer Read this book ADRIAAN VAN DIS Alan Noland discovers his father s memoirs and learns the truth about the violent man he despised In this unsparing family history Alan distils his father s life in the Dutch East Indies into one furious utterance He reads about his work as an interpreter during the war with Japan his life as an assassin and his decision to murder Indonesians in the service of the Dutch without any conscience How he fled to the Netherlands to escape being executed as a traitor and met Alan s mother soon after As he reads his father s story Alan begins to understand how war transformed his father into the monster he knew Birney exposes a crucial chapter in Dutch and European history that was deliberately concealed behind the ideological facade of postwar optimism Readers of this superb novel will find that it reverberates long afterwards in their memory

Paul M.M. Doolan,2025-10-01 Collective Memory and the Dutch East Indies Unremembering Decolonization examines the afterlife of decolonization in the collective memory of the Netherlands It offers a new perspective on the cultural history of representing the decolonization of the Dutch East Indies and maps out how a contested collective memory was shaped Taking a transdisciplinary approach and applying several theoretical frames from literary studies sociology cultural anthropology and film theory the author reveals how mediated memories contributed to a process of what he calls unremembering He analyses in detail a broad variety of sources including novels films documentaries radio interviews memoirs and historical studies to reveal how five decades of representing and remembering decolonization fed into an unremembering by which some key notions were silenced or ignored The author concludes that historians or the historical guild bear much responsibility for the unremembering of decolonization in Dutch collective memory

Colonialism, Capitalism and Racism Jan Breman, 2025-10-01 For a long time Europe's colonizing powers justified their urge for expansion with the conviction that they were bringing civilization to territories where civilization was lacking This doctrine of white superiority and indigenous inferiority was accompanied by a boundless exploitation of local labor Under colonial rule the ideology that later became known as neoliberalism was free to subject labor to a capitalism tainted by racialized policies This political economy has now become dominant in the Western world too and has reversed the trend towards equality In Colonialism Capitalism and Racism Jan Breman shows how racial favoritism is no longer contained to faraway indigenous peoples but has become a source of polarization within Western societies as well
