How To Language Learning Manual:

The Language Learning Manual Thomas T.,2021-08-24 Language learning is difficult this is what everyone say the reality is a bit different Language learning can be made easier if done in the right way This does not mean using magic formulas that will make you fluent in a month of course it only means that with the right methods and guidance everyone can learn another language or many languages in fact you do not need to be a genius or naturally gifted you only need the right knowledge which is what this book is all about Inside you will find How to choose a language How to start learning from zero How to learn even the hardest languages with the conquer the castle method How the brain memorizes words How to learn grammar and the right approach for learning and using grammar Special techniques including a technique to learn 3 languages at the same time A trick to use if you find hard to learn a new alphabet How to use your phone your chats and technology to learn languages without traveling abroad How to learn a language if you cannot speak with native speakers The important elements to consider when learning a language Customizing your learning based on your own nature and much more This book is made mainly for beginners and people who do not have a lot of experience with languages Follow us on instagram at [_the_aurelian](#)

How to Learn a Foreign Language: A Practical Guide with Tips and Resources Jeff Blum,2021-09-25 Learning a language can be a daunting process Should you self study Take a course Buy a software program Hire a private tutor What kinds of learning systems are available and which might be right for you How about the myriad online resources available And very importantly where should you begin Oh by the way how long will all this effort take anyway You will find the answers to these questions in this short but thorough guide to learning a foreign language Author Jeff Blum has taught English and studied four languages Japanese Spanish Portuguese and Thai but he still struggles just as anyone must when learning a language Jeff did extensive research on all aspects of language learning in an effort to improve his own efforts and he has carefully curated that research into this guide to help you with your efforts as well In the book you will find

- 1 A look at the systems and techniques advocated by various language learning experts and sites
- 2 A consideration of personal factors in learning a language motivation personality goals etc
- 3 A discussion of the 8 language learning blocks with recommended resources for tackling each
- 4 An overview of the most popular language learning products on the market Duolingo Rosetta Stone Pimsleur etc
- 5 A comprehensive set of resources to aid you with whatever approach to study you pursue Whether you are young or old beginner or advanced studying your first foreign language or your fifth there is something for you in this book If you are a language teacher this book might help you better understand what your students are up against while giving you ideas and extra resources to aid your teaching efforts
