

# Port State Control in Australia

Reza Vind – Manager, Operations West

## Ship Inspection ... What to expect!

Australia prides itself on a firm but fair port State control regime. This should not be something to fear.

When an AMSA inspector attends a vessel they are required to provide the master with a letter spelling out the intent of the PSC prior to the inspection commencing.

This includes a contact that the master or operator can use if they have any concerns about the conduct of the PSC.

## Ship Inspection ... What to expect!

Targeting of vessels is based on a prioritisation system.
