Hardcover Teen Self Help Guide:

Self-Advocacy Cheryl Gerson Tuttle, Joann Augeri Silva, 2007 Young people come to realize sometimes painfully early that it isn't always possible to depend on adults to make sure they are treated safely fairly and legally When teens are faced with situations that are unfair immoral illegal and unjust they do not need to be victims They can learn to speak up for themselves effectively to improve their own lives and the lives of others The skill of self advocacy rarely comes naturally for teens *Self Advocacy The Ultimate Teen Guide* offers a set of skills for young people to sort through and acquire and encourages them to speak up about what is bothering them The book gives them helpful tools they can adapt to deal with adults they must work with and in some cases against in order to come to a solution to their problem *Self Advocacy* provides information teens need to have to advocate for themselves The introduction and first three chapters explain what self advocacy is identify when and why it might be necessary for teens to speak up for themselves provide a step by step guide on how to self advocate successfully and offer specific real world advice about how to wisely use the power of the media to publicize their cause Seven issue specific chapters follow Each topic is treated in a dignified organized and comprehensive way providing information teens can use and resources they can draw upon The issues and information in those chapters deal with the real world and don't shy away from the difficulties young people encounter every day such as personal rights school issues learning disabilities physical disability sexuality legal issues and foster care Each chapter includes the voices and experiences of teens who have encountered issues and decided to speak up for and get what they need Teens who learn how to advocate for themselves and then act are not only taking steps to right whatever wrong they have been facing they are also preparing themselves for a successful adult life *Serving At-Risk Teens* Angela Craig, Chantell L. McDowell, 2013 Working with at risk teens including those who are homeless incarcerated or in foster care is a rewarding but often challenging endeavor especially with a growing number of at risk teens in both urban and rural areas of the country Based on best practices and personal experiences from many leaders in the field today including authors Angela Craig and Chantell L McDowell this book shows how libraries and communities can work together to find new ways to serve this population Packed with accessible and affordable programming ideas ready to use templates and techniques this addition to the *Teens the Library series* Demonstrates why serving at risk teens is important and offers advice for gaining institutional support for outreach services Shows how to understand the needs of at risk teens including a discussion of the factors that place teens at risk Examines diversity within the at risk population Suggests ways to partner with youth facilities with real world examples of working with non library personnel and caregivers Provides guidance for collection and resource development Gives examples of technology based programs to promote literacy and connectedness **Living Your Best Life with Asperger's Syndrome** Karra Barber, 2006-03-30 Every year I read several manuscripts written by mothers about having a child with Asperger's syndrome The quality of manuscripts varies considerably As soon as I started to read *Living Your Best Life with*

Asperger's syndrome I knew it was going to be one of my favourite biographies I was entranced by Karra's descriptions of her son's intellectual abilities his perspective on life and sense of humour The anecdotes illustrate aspects of Asperger's syndrome perfectly Professionals will have the Ah ha moment as the descriptions of events and conversations are consistent with the theoretical models of Asperger's syndrome Both parents and professionals need to read this book and then other children with Asperger's syndrome will indeed live a better life Professor Tony Attwood This book is a worthwhile read and written in a very positive way Many professionals will find the anecdotes evocative and perhaps illumination There are also useful and practical tips and ideas noted throughout the book I would happily recommend it to parents especially those who are in the early days post diagnosis and looking for information ideas and a positive perspective Alison Leask Chair of Autism Argyll Scotland Effectively accommodating the social and academic needs of children on the autistic spectrum is an important task in every school This book is a practical guide to benefit parents teachers Local Education Authorities and international autism organisations Each chapter provides a summary followed by anecdotal stories that illustrate a point describing how a young boy navigates his way through the social challenges that he faces every day Issues covered include o diagnosis and recognizing the difference o providing support and understanding o communication o concrete thinking The focus of the writing is how to live your best life despite your difference The book describes the problems and pain Karra faced as her son changed and encountered difficulties at every stage She also demonstrates her resilience and determination and the book is a celebration of her son and their relationship This is a very accessible book which would be helpful to parents and teachers meeting autism for the first time The book charts a success story and as such should make an encouraging read This would be well worth having a parents group or staff room library Special **Kliatt Young Adult Paperback Book Guide**, 2005 **Christian Writers' Market Guide 2010** Sally E.
