*Political Ideologies* Robert Eccleshall, 1994 This is a completely new edition of a widely used concise and readable textbook *Political Ideologies* contains chapters on liberalism conservatism nationalism fascism socialism democracy

feminism and ecologism It also includes a wide ranging introduction looking at the role of ideology from Bacon to Fukuyama Each chapter analyses the principal ideas and concepts of each ideology distinguishing it from rival doctrines sets each ideology clearly within its historical and political context and provides an annotated guide to further reading The book is written in a clear and accessible style introducing students to the complexities of political ideas Those approaching the subject for the first time will find Political Ideologies an informative and engaging introduction *Political Ideologies: an Introduction*, 1998 [Political Ideologies: an Introduction](#) Robert Eccleshall, Vincent Geoghegan, Richard Jay, 1996

**Political Ideologies** Robert Eccleshall, Alan Finlayson, Vincent Geoghegan, Michael Kenny, Moya Lloyd, Iain MacKenzie, Rick Wilford, 2003 This informative and widely used text is now available in a third edition Building on the success of previous editions it continues to provide a clear and accessible introduction to the complexities of political ideologies The latest edition of Political Ideologies introduces and considers the future of all the most widely studied ideologies liberalism conservatism socialism democracy nationalism fascism ecologism and feminism sets each ideology clearly within its historical and political context includes a new final chapter that examines the impact of recent theoretical developments of ideologies and charts the challenges that they face in the twenty first century has been fully revised and up dated and provides an annotated guide for further reading **Introduction To Political Ideologies** Hoffman John, 2010-09 *Contemporary Political Ideologies* Roy C. Macridis, 1986 *Books in Print*, 1991 **Political Ideologies**, 2022 **The Cosmopolitan Interior** Judy Neiswander, 2008 Judith Neiswander explains that during these years liberal values individuality cosmopolitanism scientific rationalism the progressive role of the elite and the emancipation of women informed advice about the desirable appearance of the home In the period preceding the First World War these values changed dramatically advice on decoration became more nationalistic in tone and a new goal was set for the interior to raise the British child by the British hearth Neiswander traces this evolving discourse within the context of current writing on interior decoration writing that it is much more detached from social and political issues of the day **BOOK JACKET** **American Political Ideologies** Brian R. Farmer, 2006-04-03 For many people the world of politics is defined by ideologies The average voter rarely takes time to research a policy issue thoroughly relying instead on a set of beliefs set forth by his or her chosen political organization to make important decisions These publicly promoted ideologies play an important role in international as well as domestic political development yet many adherents to a particular belief may have a poor understanding of competing ideologies From right wing to the far left this text dissects eight prominent political ideologies traditional conservatism classic liberalism libertarianism conservative extremism contemporary liberalism communism dependency theory and Islamism In plain terms it describes the basic doctrine and inherent contradictions of each creed along with its particular relevance to today's political landscape An in depth discussion of the political socialization processes that form and perpetuate ideologies is also included Instructors considering this book for use in a course may request an examination copy

here **Reconsidering Habermas's Colonization Thesis** Roderick Condon, 2025-03-31 This book reconsiders Habermas's critique of capitalism as a foundation for a critical theory of neoliberalism. Taking criticisms into account, the author refines and redevelops Habermas's system/lifeworld paradigm in three parts focusing on system/lifeworld and communication. The exposition unfolds through a new synthesis and convergence from within Habermas's frame of Axel Honneth, Niklas Luhmann, Talcott Parsons, and Karl Marx. This synthesis is interwoven with an account of the neoliberal turn such that social theory is historically contextualized and neoliberalism theoretically explained at one and the same time. The end result is a reconstruction of the colonization thesis in a new theory of relinguistification, advancing a communicative/ dialectical and reflexive theory of reification. *Reconsidering Habermas's Colonization Thesis* will appeal to scholars of critical theory, social theory, sociology, and cultural studies, as well as readers interested in neoliberalism and the critique of capitalism. Emotion in Group Decision and Negotiation Bilyana Martinovsky, 2015-07-01 The volume offers an exploration of methods for analysis of emotion in negotiation, such as cognitive modeling, discourse analysis, all testing, subsequent multidimensional scaling, impression rating, and graph modeling for conflict resolution, reasonable and unreasonable disagreement. It covers activities such as business negotiation, conflict solving, bargaining, task management, meetings, discussions, and elaborates on different kinds of emotions. Some emotions stimulate negotiation, e.g., empathy; others hinder it, e.g., disgust. However, all emotions open a door to uncertainty in relations and negotiation, which in turn provides an opportunity. The volume views language in negotiation not only as a vehicle for transmission of thought but also as a manifestation of emotion and the ethical.

**Whitaker's Books in Print**, 1998 **Political Ideologies, Fourth Edition** Andrew Heywood, 2007-05-15 This revised and updated fourth edition of the leading text on political ideologies contains a new chapter on multiculturalism, consideration of the changing nature of ideological discourse including the transition from traditional to new ideologies, and coverage of the impact on the major ideological traditions of developments such as globalization and the war on terror.

*Subject Guide to Books in Print*, 1996 Ideology and Politics in Britain Today Ian Adams, 1999 Examining the variety of ideas and values that influence British politics today in light of how they developed and arrived in their present state, this text considers the future of British politics and what forces may shape further development. *An Introduction to Political Theory* John Hoffman, Paul Graham, 2013-09-13 This book provides an engaging and intellectually challenging introduction to political ideologies while at the same time giving an accessible route into the subject for those new to politics. Supported by an outstanding companion website, it has strong claims to be the best undergraduate textbook on ideologies on the market. Dr. Mike Gough, University of East Anglia. *Introduction to Political Theory* is a text for the 21st century. It shows students why an understanding of theory is crucial to an understanding of issues and events in a rapidly shifting global political landscape. Bringing together classic and contemporary political concepts and ideologies into one book, this new text introduces the major approaches to political issues that have shaped the modern world and the ideas that form the currency of political
