China has approved the removal of the two term limit on the presidency effectively allowing Xi Jinping to stay in power for
life In 2020 Vladimir Putin wins a referendum to stay in power at least until 2036 These two headlines show that there are
similar evolutions in China and Russia concerning their political systems This is not the only similarity We often hear from
violations of the human rights such as the freedom of speech or of the press in China and Russia and they are both classified
as authoritarian regimes in international rankings In addition both have a communist past which influenced their political
regimes of today The question which arises is therefore To what extent can we compare the political regimes and societal
structures both of China and Russia As we wonder what similarities and what differences we encounter in both states it is
important to define two terms a political regime and b authoritarian tendencies A political regime or system is a set of legal
institutions with formal norms written down in the constitution and some form of government By authoritarian tendencies we
mean that the political regime tends towards an authoritarian rule Authoritarian rule can be defined as the concentration of
power in the hands of a leader that is not responsible to the parliament and that no opposition is allowed to compete for
power To answer the key question of how comparable the political regimes of China and Russia are the Different

The World of Marsilius of Padua Gerson Moreno-Riaño, 2006 Perhaps no author of the Latin Middle Ages has been the subject of so much controversy and even vitriol than Marsilius of Padua ca 1275 1342 43 As author of the notorious heretical tract the Defensor Pacis Marsilius became an infamous figure throughout the intellectual and political centres of Europe during his own lifetime His magnum opus a sharply pointed dissection of the damage done to earthly political life by the incursions of the papacy and a plea for conciliar ecclesiology was repeatedly condemned during the fourteenth century and in later years Yet the treatise continued to be disseminated and received translation into several vernacular languages During the Reformation Marsilius and his Defensor Pacis enjoyed

another round of acclamation and denunciation depending upon one's confession In July 2003 a group comprising many of the world's most renowned scholars of medieval political thought gathered for a Marsilius of Padua World Congress held in conjunction with the tenth International Medieval Congress held in July 2003 in Leeds The present volume contains selected papers originally prepared for that meeting The contents represent a compendium of innovative scholarly contributions to the understanding of Marsilius his life and times and his lasting impact on Western thought Included are chapters that reflect a range of recent ground breaking research by both senior scholars and the future leaders in the field After a general survey of the current state of scholarship on Marsilius the volume divides into three thematically organized sections covering a variety of historical textual methodological theological and theoretical questions In all of the essays readers will discover the wealth and complexity of Marsilius's thought as well as the startling range of approaches and methods of interpretation taken in the study of his work The volume's selection of authors is international in scope and represents the first interdisciplinary scholarly collaboration in the field of Marsilian studies to occur in the twenty first century
