Communication Media And Development:

The Role of Social Media in Development Communication Edikan Ukpong, 2019-11-22 Seminar paper from the year 2016 in the subject Communications Public Relations Advertising Marketing Social Media grade B language English abstract This study was carried out to investigate the use of social media in development communication and how undergraduate students of Akwa Ibom State University perceived the usage The specific objectives were to find out if Akwa Ibom State University students are aware of the potential of social media for development communication and effect Ascertain the specific social media that can be used for development communication Determine the kind of development communication message that social media can be used for Examine the constraints facing the use of social media for development communication and solutions The study adopted the survey research design which was employed to derive responses from a sample size of 200 undergraduate students of the Department of Mass Communication Akwa Ibom State University who were selected via random sampling techniques Data were collected from this population using questionnaire The study revealed that Akwa Ibom State University students are aware of the use of social media for development communication to a large extent over half of the respondents use Facebook to send and receive information more than any other social networks education messages were mostly communicated through the social media followed by messages on rural development the use of the social media to communicate development was constrained greatly by lack of access to computers and high cost of subscription for internet access Drawn from the findings it was recommended that more enlightenment should be done in terms of using the social media to trigger development consciousness among the citizens

Development

Communication Thomas L. McPhail, 2009-05-04 In *Development Communication* top media scholars explore the details of communication in areas where modernization has failed to deliver change Offers a complete introduction to the history of development communication the process of systematically intervening with either media or education in order to promote positive social change Discusses the major approaches and theories in development communication including educational issues of training literacy schooling and use of media from print and radio to video and the internet Explores the role of NGOs the CNN Effect and the power of grass roots movements and bottom up approaches that challenge the status quo in global media

Designing Messages for Development Communication Bella Mody, 1991 Accessible and practical *Designing Messages for Development Communication* takes the reader step by step through the process of designing audience responsive messages in the Third World Bella Mody takes the media producer through an audience research based methodology to bridge the cultural and informational distance between senders and receivers A discussion of the origins and nature of media use in national development over the last 30 years forms the introductory background against which the author reviews the current research on media effects Mody presents audience research as a systematic device for the involvement of message receivers in decisions concerning message design that is what the message needs to say and how

This volume instructs development and communication planners as well as media workers first to listen to the audience so as to determine which information the audience needs and in what form they can process it most effectively and then to pretest messages before they are produced in their final form A valuable tool for the media producer's problem of the invisible audience in mass communication this volume is essential reading not only for students and teachers of development communication but for media users and media producers who produce messages to support development The book will be of great help to those who work in the field on the facilitating level training people to be future trainers in the field of development supporting communication Mass communication In this very welcome book the author has done a very good job of turning development support communication common sense into practical academic sense She has shown in a practical way that it is not enough only to propound high sounding academic theories about common sense based participatory development communication and then fail to show how they work in real life as many of us have done and continue to do The author has married theory to practice by showing media practitioners how it can have been done Media Development The Handbook of Development Communication and Social Change Karin Gwinn Wilkins, Thomas Tufte, Rafael Obregon, 2014-01-22 This valuable resource offers a wealth of practical and conceptual guidance to all those engaged in struggles for social justice around the world It explains in accessible language and painstaking detail how to deploy and to understand the tools of media and communication in advancing the goals of social cultural and political change A stand out reference on a vital topic of primary international concern with a rising profile in communications and media research programs Multinational editorial team and global contributors Covers the history of the field as well as integrating and reconceptualising its diverse perspectives and approaches Provides a fully formed framework of understanding and identifies likely future developments Features a wealth of insights into the critical role of digital media in development communication and social change

Media and Development Martin Scott, 2014-05-08 Media matters From encouraging charitable donations and delivering public health messages to promoting democratic participation and state accountability the media can play a crucial role in development Yet the influence of the media is not always welcome It can also be used as a mechanism of surveillance and control or to disseminate hate speech and propaganda How then should we respond to the growing importance of the media including journalism radio television community media and social media for poverty and inequality The first step is to acquire an informed and critical understanding of the multiple roles that the media can have in development To help achieve this this book provides concise and original introductions to the study and practice of communication for development C4D media development and media representations of development In doing so it highlights the increasing importance of the media whilst at the same time emphasising the varieties complexities and contingencies of its role in social change The broad and interdisciplinary focus of this book will make it attractive to anyone with an interest in media communication development politics and social change **Handbook of New Media** Leah A Lievrouw, Sonia M. Developmental Change Allan A. Spitz,2014-07-15 Developmental change and the related problems of modernization have attracted the attention of scholars in many disciplines In this bibliography derived and expanded from an earlier compilation by Mr Spitz and Edward Weidner the author orders and annotates nearly 2 500 articles appearing between 1945 and 1969 in 234 journals from 25 countries Organized by subject and indexed by both author and journal the citations include studies of social problems economic factors political questions public administration and international cooperation and assistance Special emphasis has been given to new and little known sources In addition a selected bibliography of monographs and book length studies dealing with the modernization of underdeveloped countries and areas is included in the volume

Media, Communication and Development Linje Manyozo,2012-09-04 The book thus addresses the extant gap in scholarship in the field and includes a chapter on impact evaluation which current scholarship has either ignored or footnoted In addition the book uses case studies from both the global south and the global north to attend to complex and multidisciplinary concerns with participation power and empowerment The author brings in postcolonial perspectives to demonstrate that the use of MCD approaches emerged in response to the growing problems of underdevelopment and not necessarily to western development theories Using simple language that is at the same time theoretically engaged he opens up the field to scholars across a large number of disciplines

Rethinking Media Development through Evaluation Jessica Noske-Turner,2017-10-26 This book argues for an overhaul of the way media assistance is evaluated and explores how new thinking about evaluation can reinforce the shifts towards better media development The pursuit of media freedom has been the bedrock of media development since its height in the 1990s Today
