Across the Universe Natan Last, 2025-11-25 An entertaining and eye opening look at the history of crossword puzzles who constructs them and why crosswords matter as both a reflection of and influence on our culture Should be at the top of every gift guide for word nerds and puzzle enthusiasts everywhere Chicago Review of Books A gridful of insight and pleasure Stefan Fatsis bestselling author of Word Freak and Unabridged From Wordle to Spelling Bee we live in a time of word game mania Crosswords in particular gained renewed popularity during the COVID 19 lockdown when games became another kind of refuge Today 36 million Americans solve crosswords once a week or more and nearly 23 million solve them daily Yet as longtime New Yorker crossword contributor Natan Last will tell you the seemingly apolitical puzzle has never

been more controversial or more interesting A surprisingly ubiquitous influence in the worlds of art literature and technology as Last demonstrates the puzzle and its most popular purveyors including publications such as The New York Times still the gold standard for word games have in recent years been challenged for the way they prioritize certain cultures and perspectives as the norm demoting others to obscurity At the same time the crossword has never been more democratic A larger younger more tech savvy and solidaristic group of people have fallen in love with puzzle solving ushering in a more inclusive community of constructors and challenging the very idea of what is normal With a critical eye toward the puzzle s history Natan Last explores the debates about the future of the crossword and investigates those who are determining its next phase ultimately asking if the crossword can help us reshape the world Across the Universe interrogates all the ways words and the games we make using those words change our culture while bringing us into the world of those pushing for the crossword s much needed evolution
