Middelkoop**

Connecting Wonderware Intouch To Top Server:

Web Based Energy Information and Control Systems Barney L. Capehart, Lynne C. Capehart, 2021-01-07 Advances in new equipment new processes and new technology are the driving forces in improvements in energy management energy efficiency and energy cost control The purpose of this book is to document the operational experience with web based systems in actual facilities and in varied applications and to show how new opportunities have developed for energy and facility managers to quickly and effectively control and manage their operations You ll find information on what is actually happening at other facilities and see what is involved for current and future installations of internet based technologies The case studies and applications described should greatly assist energy facility and maintenance managers as well as consultants and control systems development engineers

Handbook of Web Based Energy Information and Control Systems Barney L. Capehart, Timothy Middelkoop, 2020-12-22 This book promotes the benefits of the development and application of energy information and control systems This wave of information technology IT and web based energy information and control systems web based EIS ECS continues to roll on with increasing speed and intensity This handbook presents recent technological advancements in the field as well as a compilation of the best information from three previous books in this area The combined thrust of this information is that the highest level functions of the building and facility automation system are delivered by a web based EIS ECS system that provides energy management facility management overall facility operational management and ties in with the enterprise resource management system for the entire facility or the group of facilities being managed
